BIG CROWDS VISITED YESTERDAY AT NORTH LAKE

Come For Miles to Hear Good Roads Talk—First Band Is Heard—Many Go Fishing

The Southern Pacific, Good Roads and the baseball nine of the Blue Riggers all made a "ten strike" at Lakeside yesterday. Never in the history of the resort had there been so many people there for the day. The four coaches of the late train last evening came back, loaded to the guards, despite the fact some 50 or 60 had returned on the train of the early afternoon. Long before they left the ice cream stand in the Ten Mile Hotel was entirely out of "commission" and with the S. O. S. call sounding.

On Saturday evening started the new train schedule to North Lake. On Sunday morning there came dozens of more visitors. At noon in the public square Frank Terrace, Good Roads booster of Washington, spoke to a crowd of 150 persons.

First Band at Lakeside

The North Bend high school band, taken there for the occasion, was the first brass band to ever visit Lakeside. Farmers and their families came from miles around, sanctioned the Good Roads and became extremely well pleased with the band.

Nels Monson, prominent farmer of Templeton, said that he was opposed to the bonds, but before the contingent had left, declared his intention to work for them, stating they are exactly what the people up there need most.

Had Rousing Reception

The Good Roads delegation went to Haynes Inlet where last evening 100 people gathered in the schoolhouse for the most rousing meeting of the campaign, followed by a bountiful chicken supper. The Golden West quartet sang.

Charles Hall told them that is the precinct expected to vote unanimously in favor of the road bonds.

To date Frank Terrace has spoken at some 15 meetings and to better than 1,500 voters. He is 64 years of age, but says he doesn't mind it, though last evening his voice was quite hoarse. Today he was at Bridge, tonight at Allegany, tomorrow evening at the Fellowship Banquet in Marshfield, Wednesday evening at Sumner and Thursday night at North Bend.

TAKES TWO PRIZES

JACK MERCHANT SHOWS UP IN STATE MEET

Takes Third in Broad Jump and Javelin in Competition With Dozens of Athletes

In competition with athletes from all parts of the state, Jack Merchant, of the Marshfield High school, on Saturday won two third places in the Oregon Interscholastic track meet, at Eugene. The events were the broad jump and the javelin throw. Carl Back, entered in the mile event, fought gamely, but found his companion too speedy for him.

In the broad jump W. J. Mulkey, of Monmouth, leaped 21 feet 2½ inches, with Foster, of John Day, second; and Jack Merchant, third.

In the javelin throw Mulkey, of Monmouth, took first at 147 feet; C. Johnson, Washington high school, second, with 142 feet 8 inches, and Merchant, Marshfield, third, 140 feet 19½ inches.

These are the first points ever won by a Marshfield athlete at a state interscholastic meet. Both records by Merchant are said to be better than he had been doing in practice.

The meet at Eugene was won by Jefferson high, of Portland, with 32 points. There were approximately 200 athletes entered for the various events.

MARSHFIELD AND NORTH BEND IN DUAL MEET TOMORROW

Track Teams to Try Their Hawn on South Fourth Street Racetrack—Big Meet Saturday

On the racetrack grounds, south Fourth street, tomorrow afternoon at 2:30 p. m., will be held a dual track meet between the teams of Marshfield and North Bend high schools.

The meet is one for the purpose of trying out the athletes before the big thing else. On Saturday the county meet will be held at Myrtle Point.

However, the North Bend high school has evidenced considerable interest in the contest of tomorrow and declare that the local athletes are to get a good run for their money.

Both teams are in very good shape. The results should at least give an indication of what can be expected at the bigger contest.

FUNERAL WEDNESDAY

On the Adeline today from Bay Point arrived the body of Charles Coddington, who died there a few days ago. Mrs. Coddington and daughter returned also.

The funeral is to be held Wednesday at 2 p. m. in the Wilson undertaking parlors.

FISH DO VERY WELL

Charles St. Dennis, postmaster and mayor "pro tem" of Lakeside, or North Lake, as the Southern Pacific insists on calling it said yesterday that the 20,000 trout in the ponds there are doing very well. He expects this number to be increased up to 200,000 later in the year. They are to be turned out late in the fall after having grown large enough to forage for themselves and fight their own battles with the larger fish.

INTEREST IN MINING

New Investigations Being Made in Curry County

Interest in the mining possibilities in Curry county is increasing according to the following from the Gold Beach Globe:

"Evidently the minerals of Curry County are attracting attention of mining men throughout the northwest. C. W. Mitchell, a Los Angeles mining man, has taken a cash working option on the Collier Creek Copper mine and other men are investigating other properties with the same end in view. A large force of men is now employed opening up the placers of Lobster Creek and another effort will be made by Mr. Hodges to make the old Diggin's riddle near Gold Beach give up its treasure by the wing dam process."

JOHN DAY—As the result of an appeal by more than 30 applicants for homesteads in the Malheur National forest another examination will be made of the land on which entry was refused because it was regarded as farm land.
