

Motor oil made from asphalt-base crude gives best lubrication with least carbon. Such is the testimony of motorists and experts alike. As Lieut. Bryan, U.S.N., puts it: "Oils made from the asphalt-base crudes have shown themselves to be much better adapted to motor cylinders, as far as their carbon-forming proclivities are concerned, than are paraffine-base Pennsylvania oils." Zerolene is scientifically refined from selected California crude— asphalt-base—not only made from the right crude but made right. Dealers everywhere and at service stations and agencies of the Standard Oil Company.

THEY LET HIM SLEEP

"Since taking Foley Kidney Pills I believe I am entirely cured and I sleep soundly all night."
H. T. Straygne

Take two of Foley Kidney Pills with a glass of pure water after each meal and at bedtime. A quick and easy way to put a stop to your getting up time after time during the night.

Foley Kidney Pills also stop pain in back and sides, headache, stomach troubles, disturbed heart action, stiff and aching joints and rheumatic pains due to kidney and bladder ailments.

GAINESVILLE, GA., P. R. No. 3. Mr. H. T. Straygne says: "For ten years I've been unable to sleep all night without getting up. Sometimes only a few minutes after going to bed I'd have to get up, and I tried everything I heard of for the trouble. Last year I tried Foley Kidney Pills and after taking one bottle I believe I am entirely cured and I sleep soundly all night."

Don't Miss This: To give all a chance to try Foley & Co.'s family remedies, send to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., this clipping and 5c, with your name and address written clearly, and they will mail you trial package containing samples of Foley's Honey and Tar Compound, Foley Kidney Pills and Foley Cathartic Tablets.

THE OWL PHARMACY

CENTRAL PAVING AID FIRE VICTIMS

CITY FATHERS NOW CONSIDERING TWO PROJECTS

Either to Stop Paving At 11th Street or Condemn Roadway Through Anderson

Central avenue paving is again before the council, having been discussed at length last evening. There are two projects to come up at the next meeting, either to run the hard surfacing out to 11th street and stop and go through to 14th street and at the same time open Anderson above 13th, thus allowing an outlet for the residents of that section. It is expected that the latter plan will be adopted.

The entire street cannot be opened without giving an outlet to Anderson avenue people who now come out into Central by way of 13th street. It would be impracticable to grade 13th from Anderson to Central because of the excessive grade and the high cost of the improvement.

City Attorney J. T. Brand reported to the council that Anderson avenue has been sufficiently dedicated, in his opinion, so that it could be improved up as far as the C. A. Johnson place, with the exception of one block which would have to be condemned.

Mayor Copple said, "It looks to me that we have had so much delay that it will be a hard job to get Central improved and Anderson opened up this summer. Possibly it will be best to have the improvement stop at 11th street."

It was stated in the meeting that Mr. Johnson has expressed a willingness to give a street through his land to the city, providing the council would agree to pay the cost of putting the street in. The main argument over this was whether or not it would cost more to put the street in than to condemn the land and buy it.

Waited Long For Money

Two months and more ago C. R. Flanagan completed a sewer amounting to about \$400, from Johnson avenue out to Coal Bank Inlet. He said that everyone had paid up but the Southern Pacific that owed the greatest bulk of the property.

It was shown that long ago C. P. McKnight had taken the matter up with the company and had recommended the payment of the bill. The council agreed to issue an alias warrant for the collection of the money still due.

A representative of the Howell-Cooper Corporation, a street machinery company, asked the council to consider the purchasing of a bitumen cooker at \$150, a couple of irons and a hand roller to cost \$200. This latter would weigh 500 pounds. The matter was referred to the street committee.

An ordinance was passed authorizing the replanking of North Front street, work which is already in progress. Bjorquist and company has the contract and the planks are being laid crosswise.

The council also adopted the assessment for the sewer and the sidewalk along the west line of Front street between Market and Alder avenue.

Plans and specifications will be prepared by City Engineer Gidley for the improving of 19th street south from Central as far as he deems it necessary, possibly as far as the the bridge. It was shown that the planking there is badly worn through.

FUNDS BEING RAISED FOR MR. AND MRS. GEORGE ROURKE

Lost Their Home in Bunker Hill Conflagration—Many Give Generously

Kind hearted people of Coos Bay have taken steps to alleviate the loss suffered by Mr. and Mrs. George Rourke, one of the four families who were burned out last Friday night.

While all of those involved were hard hit, Mr. and Mrs. Rourke were probably least able to suffer the adversity at this time. Mr. Rourke who for years has been with the C. A. Smith company, has been incapacitated most of the time for three or four years on account of rheumatism and Mrs. Rourke in addition to caring for their home has earned a livelihood for them by working at the Bay View Cafe. In order to meet the taxes recently they had to allow their insurance to lapse and hence were rendered almost penniless by the blaze.

Mrs. Erickson, a well known Bunker Hill nurse and relief worker has taken up their cause and is soliciting funds to provide a house for them. The Rourkes own their lot. The Coos Bay Business Men's Association has given the relief work their endorsement and in a few hours yesterday a goodly sum was subscribed to the fund.

Church Also Aids

Sunday, the congregation of St. Monica's church responded liberally to an appeal by the Rev. Father H. J. McDavitt for the Bunker Hill fire sufferers.

Mr. and Mrs. Rourke are among the most highly respected and deserving residents of Bunker Hill and are entitled to all that can be done to lighten their loss.

Bee Is Suggested

In addition to the cash subscriptions to the home fund, it is possible that a "bee" may be organized by carpenters and workmen who will donate their service in erecting the home when the preliminary matters in connection with it are taken care of.

ARE BOUND OVER SUFFER FIRE LOSS

BEN PLATT AND HAPPY BURGESS HELD TO GRAND JURY

Charged With Assault on Frank Mostellar With Billy—Many Witnesses Heard

At the conclusion of the preliminary hearing in North Bend this afternoon, Justice Shuster bound Ben Platt and Happy Burgess over to the grand jury on the charge of assaulting Frank Mostellar with a billy, a deadly weapon. Platt's bond was fixed at \$750 and Burgess's at \$350. They hope to furnish them.

Harry McKean, C. W. Gregory, Walter Livingood and V. W. Randall were the witnesses for the state. All testified that Platt hit Mostellar with a billy while the latter was at the phone, the weapon flying from his hand. Mostellar then grabbed him and Burgess appeared and the two had Mostellar on the floor, Burgess kicking him, the witnesses said. Livingood pulled Burgess off and Randall went for the police.

Mostellar was not at the hearing being still under the care of physicians. J. T. Brand appeared for Platt and Burgess who did not testify.

BROCCOLI MEN TO MEET

Farmers interested in the growing of broccoli are to meet at the Chamber of Commerce Saturday at 10 a. m. to talk over plans of getting started. Prof. Boquet, of O. A. C., has been asked to come. Many farmers have stated they expect to start the growing of broccoli this season. Among these are P. E. Larson, A. O. Kelland, Cecil Moffitt, E. C. Berker, George Ross, Herman Smithgall and V. K. Road. It will be necessary for the growers to adopt a standard pack, it is said.

INSPECTORS HERE

H. L. Verse, assistant electrical inspector of the Underwriters' Rating Bureau of Portland, and M. R. Colwell, who is checking up the various concerns, were here today on their annual visit. The purpose is to go over the electrical wiring in all parts of the city, relative to the establishment of insurance rates.

A. C. VESTAL AND WIFE LOSE PROPERTY IN SACRAMENTO

Receive Telegram Announcing Burning of Belongings in Former California Home

A. C. Vestal, Coos Bay manager of the Union Oil Company, and wife have received a telegram announcing the burning of their house in Sacramento including many of their personal belongings, many of their wedding gifts, etc.

Few particulars were given in the telegram except to indicate that the loss was complete.

They had no insurance on the property or the personal effects which they had stored there. The financial loss is considerable.

A WONDERFUL FILM

HUNDREDS SEE "BATTLE CRY OF PEACE" LAST NIGHT

Intensely Interesting and Dramatic Picture Is On Again Tonight At Noble Theatre

There was not a one in the hundreds of persons who saw the great "Battle Cry of Peace" at the Noble Theatre last evening who did not go away fully realizing the great importance and significance of the need of preparedness.

Dramatically and in by far the greatest picture ever shown in Marshfield was portrayed exactly what would happen to us, to our homes and our families if a great enemy from across the water should attack us, practically unprepared as we now are.

Never has there been seen anything here the equal to this film. Thirty thousand soldiers took part in the gigantic movements, and monstrous aeroplanes and sea planes, 17 of them, went swooping through the skies on their errands of death.

Again tonight the play will be shown at the Noble Theatre. It is a tremendous dramatic offering of nine reels and every man, woman and child should see it.
