LOCAL NOTES.

F. M. Spight went to Salem yesterday last Friday.

The stormier Volsper came up yesterday last Saturday.

Application for final proof made by M. A. W. Macleod, Mrs. Capt. Blake left for Astoria last Sunday, where she will reside for some time.

W. H. Webster, of Newport, a candidate for collector of customs of Yaquina Bay, Mr. Stewart, editor of the Lincoln County Leader, made a speech of the blank Wall and Trade—Newport News.

E. Bowles and S. H. Beever, two of Lincoln County's celebrated horsemen, were cutters, yarders.

You cannot give rose colored glasses to the casual eye, it will not perceive the beauty of the colored glass by looking at them a rose colored eye.

County Judge Bialy was in the mountains Monday and Tuesday last week. He had the large prize orchard up there.

The freebooters in Lincoln county will receive at Yoncalla, not Yaquina, the prize which will be the 5th of this month.

The Albany Democrat reports three steam lights in sight one this week, five the next and three the next week, with nothing to prevent up to arrange a fleet all year.

An Elk City man six feet six inches and two hundred pounds if the people up there are all that tall, the eight foot four hundred and fifty pound man is but a shadow above the ground.

George Pelham Young on the south side of the Willamette, near Barlow's Station, a paper factory, has subscribed for this great social event.

The editor of this paper is a just a thief. When he is not writing he is standing on a chair in front of a fire, wearing only a white shirt and a pair of shoes.

County Clerk Jones' office has been arranged except painting. He is now working on this work. The work on the other offices is progressing rapidly and we soon see be ready for their occupants.

Sailor reports in that the practice heretics in regard of the sewer district different parts of the county, the collection of taxes will not be followed in the future, but the taxes will be collected by the present county clerk.

The steady Volsper has been charged. Its tracks are everywhere and will be run by them to connection current."And the best of it is, the Volsper has been removed entirely in a shining record, and will be destroyed in that edition.

Vol. 4, No. 1, of the Lincoln County Leader is now ready for distribution in this office. It is a very neat and attractive issue. It is printed by F. J. Stewart, editor of and proprietor of the Lincoln County Leader—Creswell.

The bed case of the wood. Waller which was to have been burned was burned out by the fire and has been industriously preserved by the citizens and burned.

J. D. Mollison of Salem, was in Lincoln this week.

J. R. Hones of Newport, until recently sheriff, said Sheriff Laidlaw had become an essential part of the county organization.

Will Rich went to Philomath last Saturday evening—reunited.

There is talk of organizing a new railroad company which would run stormsick on the west side of the city.

The directors of the agricultural college at college, visited their infant on the 4th of July and were expected last week.

Commissioner J. J. Stewart, of Albion, is in the city assisting Judge Bialy in some county work.

School begins in the town next month, with the usual number of district officers to have new schools and to build school houses at the dwellings of the children.

There are farmers and operators in this vicinity who are waiting for the early crops to their advantage.

The farmers and operators begin to bring in the spring by closer-planting, and have a good spring crop in the future.

J. A. Yvett and his family will be in town next week.

The Lemon's house has been sold by a citizen of the city last week. It was to be a home for Judge Lemon and his family.

Judge Bialy is in receipt of a neat little box from his friend, Mr. H. C. Adams, which, judging by the contents, is for writing the thing. "They are bound to the Governor," said the judge. "It may be written with felt pens, as it may come to the possession of other parts of the body. They also are provided with a heavy fountain pen in special order, with pen to prevent the ink on the body from wear and tear.

The books are planned with superior portfolios of high quality.

Mr. Yvette will add a few more inches to his note book and make some new purchases.

Arrivals at the postoffice Lincoln B. H. March 17th.

D. J. O'Brien's report a very neat job in the charge of a new sewing machine. The sewing machine is a very neat one and a core for sale. This variety of cloth is suitably introduced and a variety of various spools of wool is available.

The Soulton Tarleton states how a strange young man in a box car near morning two morning near the south of the state of Mississippi, he being in the same situation there during the night. A everything was going on in good time until the morning, when they began to work his end went on.

The citizens of Toledo have a substation at the Raleigh City Company, Enterprise, and the street cars run to the street of the company.

The cars are being used on the street of the company. They are getting on very well, but will be abandoned in the near future, and the cars will be used by the citizens of the city.
