ONA NOTES.

Very gloomy weather for farmers and school teachers.

George Ryan moved into his new residence the past week.

Rev. Clark will preach at the Baptist church Sunday morning.

The oyster supper at Mr. Twombly's, Friday night, was postponed.

Only a few weeks ago Captain Powell, formerly of San Francisco, dropped into our midst and commenced operations for building a saw mill. He is encouraged with the prospects and intends soon to have mill that Ona will be justly proud of. It affords the people of this place great pleasure to welcome good citizens, no matter what their business or occupation may be.

Mr. Lyons and family arrived from the East the past week. They seem well pleased with Oregon as they intend locating here.

Prospects for the fruit crop this year are very promising.

It looks as though the matrimonial epidemic was about to visit this place in a short time.

INDEX.

Chitwood Chips.

Weather fine; most all done planting and all happy and in good spirits.

The friends of Mrs. Lewis will be sorry to learn that she is very sick. We hope soon to be able to chronicle her recovery.

We hear by private resources that there is some trouble at the Pioneer stone quarry. We hope it will not stop the work there, as there is no better building stone in the state.

D. J. Chitwood and wife have gone to Portland to attend the Adventist camp meeting. J. E. Wilson and wife will start tomorrow.

Aunt Margaret Chitwood has gone to tend to Mrs. Lewis and Uncle Jimmie is left alone, and if he feels as blue as he looks he can't stand it long since.

Mr. Wieman, our resident preacher, has taken him a home and will stay with us. There seems to be an attraction in these mountains that one can't throw off at will.

Mr. Parker, late of Waterville, Kansas, has carpenters at work on his residence, which will be an ornament to our town when completed. There is room for more from poor parched Kansas.
