Does This Apply to You?

There are many families in this section who do not take the LEADER, some in fact who do not read any paper regularly. To all such whom you chance to see this, we desire to say that one of the first duties a man owes to his family is to provide them with instructive and entertaining reading matter. It is knowledge alone, intelligence gained by the exchange of ideas, by contact of mind with mind, which raises man above the grade of an animal. There is no better, no cheaper, medium of instruction than the modern newspaper, hence the newspaper should find a place at every fireside. It is one of the things which makes life worth living. For the trifling sum of four cents a week we offer all an opportunity to procure two of the best papers of their class in America.

THE DAILY FREE PRESS is a family newspaper which makes every effort to give all the general and local news. It will keep you informed of the world's doings, of the projects of government, of the trend of politics, and of what is going on among your neighbors. You cannot keep posted on home affairs without the LEADER. It is a necessary to your well-being as food and drink.

It is a family journal overflowing with good things. There is fact and fiction, song and story, sketch and travel, wit and humor without stint, fashion and household departments for the ladies, in short something to please every member of the family. It is famous for its funny sketches and literary merit; it publishes stories each week, written expressly for it by the best authors. It is a paper which your wife can read without a blush, and your children can read every line without injury to their morals. Within its special sphere it has no superior in the world.

We offer to supply you with these two most excellent journals for the term of one year for the small sum of two dollars, a price easily within the reach of every one. We The Free Press will get a portfolio containing 20 photos of the strange people that were seen in Midway Plaisance.
