boy, Francis, and the first thing he The LEADER is a family newspaper which makes every effort to give all the general and local news. It will keep you informed of the saw was the Judge running stooped local news. It will keep you world's doings, of the project of the trend of politics, and o over to avoid collision with the brush and the same time dodge You cannot keep post-ut the Luxburg. It is a sing as food and drink. the hack. The boy having heard THE DETROIT FREE PRIES is a family journal overflowing with good things. Thare is fact and feithon, song and story, skatch and travel, wit and humor with-out stiut, fashion and household departments for the ladies: in short something to please every member of the faculty. It is famous for its famny sketches and Herarr merit: It pub-lishes stories each week, written expressly for it by the best authers. It is a paper which your wife can read without a blan, and your children can read every line without injury to their marals. Within its special sphere it has no superior in the world. We offer to supply you with these two most miles. bear stories at the camp fire before going to bed supposed that the

woods were full of bears, and let out a yell that caused all the persons in that tent to get a move on themselves. In the meantime Lucas, who was quietly sleeping in his cabin, was awakened by the unearthly noises coming from the camp, and he got a double-quick move on himself and grabbed a sack

of Scott's chittim bark and rushed wildly toward the scene of disturbance; but between his cabin and I have several farms, both culti- the camp was a deep spring, and

vated and uncultivated, for sale in about the second jump John made racts of 40 acres and upwards, he landed head first in that ice cold water. Now Lucas had been bothered by skunks, and Scott, the young man who had been peeling able terms. Anyone desiring to the bark above mentioned, had set

avowed purpose of catching that particular skunk, and when he awoke and heard the noise of splashing water down by the spring, he naturally supposed that he had ing machines, a good small safe, caught the skunk, so he gathered chandelier, and other small tools up the first weapon that was handy, from the stock of the late J. Wm. which happened to be a garden Will, for sale at very low prices rake, and rushed down to the spring and made a grab for Mr. Skunk. As a result of his strike he caught Lucas in his overalls and dragged him out. In the mean time things at the camp had quieted o vu, and Lucas was in for whip-

jing Scott, but when the latter claimed \$7 as a reasonable damage promise was effected.

The next day the party moved pect of an early extension of the back to the terms of the original much for this country. Not only camp a mile lower down the creek road.
