The closing exercises of the Toledo public school, held at Grady's hall last Saturday evening was a very interesting affair. A good literary and musical program was rendered and an enjoyable time was had.

Ed. Rogers, of Clarke county, Kansas, is looking the county over with a view of locating. He is a little bit afraid of our hills, but thinks that they will not be so hard to overcome as the drouth, cyclone and the grasshoppers.

Amos Strong and a Mr. Bain, of Salem, were in Toledo Tuesday and also went over to the Siletz. They were looking up the inducements held forth by this vicinity for the establishing of a salmon cannery. They arrived at no definite conclusion in the matter, we are informed, and will come again and investigate the matter further.

B. F. Jones returned from his Southern Oregon trip Tuesday evening, much benefitted in health and greatly impressed with the Southern Oregon country.

TOO LATE! TOO LATE!

It is too late to get an Abstract of Title a piece of land after you have bought it and found out that there are judgments and liens against it. The proper thing to do to have the Lincoln County Abstract Company, of Toledo, make you an Abstract of Title before investing your money. A business man now days never buys real estate without first obtaining evidence of a good title. We warrant our work to be absolutely correct. Address,
