When you cast a ballot for J. H. Lutz for assessor you vote for a worthy young man; one who has been a resident of this county for several years. He is competent, intelligent, honest, sober and industrious. He is a fit and proper candidate and it will be to the interest of the taxpayers of the county to cast their vote for him.

J. M. Upton, of Bandon, Coos county, was in this county from Saturday until Tuesday looking after his chances for the office of prosecuting attorney. Mr. Upton is the nominee of the populists, and was afterward endorsed by the democrats. He is a son of Hon. J. H. Upton, who achieved considerable notoriety during the legislative sessionof 1893.

In the race for county clerk it has got down to only a question of how big Ben Jones' majority will be. Capt. Robertson is a clever fellow, socially, but he simply rattles around in his race for the clerkship. The people have tried Ben Jones for the past three years and they are satisfied with him. They appreciate his efficient and accommodating conduct while he has been in office, and they further appreciate his tireless and energetic efforts in the behalf of the country.

If you have anything to sell, see Gowell.

M. L. Trapp was down from his Chitwood ranch last Monday.

Mrs. C. G. Copeland went to Portland last Saturday on business.

Flour and feed will be sold at a low price at the store of Peter Tellefson, Yaquina.

I am prepared to do all kinds of light wood turning. O. R. ALTREE, with Rice & Ross.

The festive candidate is making himself very numerous at the present time.

Geo. Croxford and Mr. Cook, a couple of lower Siletz settlers, were in Toledo last Saturday.

It's a great pleasure to Gowell to be able to sell goods at spot cash prices for less than Portland prices.

The family of Jas. H. Ross arrived from Salem last Saturday and will take up their residence here for a time.

Rev. A. I. Gaither, of California, a cousin of Agent Gaither, of the Siletz, is visiting his relatives in this county.

There is every prospect that Senator J. H. Mitchell will receive a set back along with his friend Dolph next winter.

FOR SALE.—House keeping effects, consisting of Furniture, Carpets, Stoves, Fruit Jars, etc. Enquire of Rite Dedrick, Toledo.

A. R. CHAPMAN.

We neglected to mention in our last issue that memorial services will be held at the Court House next Sunday at 11 o'clock a. m. Bishop Wm. Dillon, of Philomath, will preach the sermon.

If the West Yaquina speculators can get the people to locate the county seat at that place, then they will force the county to put in a free ferry at Yaquina and in less than a year's time a big hotel will go up near the life-saving station. When that is done, then they will pull for the summer trade.

Capt. Robertson's position on the county-seat question as he bobs back and forth from the north to the south side reminds one of the old fellow with the postoffice in Kentucky. That fellow changed with every administration, and Cap—well you know how it is with Cap.

Mr. W. C. Shepard, a democrat, will deliver a lecture upon "The greatest evil of our time," illustrating the principles of money and distribution, as follows: Waldport, May 26th, at 8 p. m.; Ona school house, May 27th, at 2 p. m.; Toledo, May 28th, at 8 p. m.; Yaquina, May 29th, at 8 p. m. Persons of all political faith earnestly invited.

Some of our people around here are greatly interested in bear dogs, and we would recommend that they get a start of the kind kept by Joe Morrison, a settler on the lower Siletz. Joe has, or did have, a couple of bear dogs that were the envy of all the people in his region. They had never been tried on bear, but they had all the good points a bear dog ever possessed. Joe had a pig pen with two nice pigs in it on the opposite side of the river from his house, and the other day a big bear thought that fresh pork would taste good and come up in broad day took one of Joe's pigs and started for the woods. Joe took his two dogs and gave chase. The bear dropped the pig and gave its attention to the dogs. Joe took the pig and started across the river with it. When he got to the other side he heard a racket from the other pig, and just looked around in time to see the dogs chase it into the river. They had concluded a pig was a safer animal to chase than a bear. Joe took his gun and went to the rescue of the other pig. One of the dogs died a violent death and the other is now for sale very cheap.

If our friend A. L. McFadden has no better results with guiding the majority of the votes his way next June than he did in guiding a canoe across the Siletz river last Friday, he is a gone gosling, sure. Mr. McFadden had poured a flood of populist oratory onto the heads of the defenceless Indians at the Siletz that day, and being in a hurry to get over to Toledo before the reaction came, he thought he could cut off a few feet by crossing the river just above the mouth of Mill creek. He borrowed an Indian's canoe and started over. It was his first experience with a canoe, and it did not last long, either. Just as he got to where the water was too deep to wade, the canoe quietly rolled over and Mac took a bath. For once the free coinage of silver took a back seat with Mac, and his attention was earnestly turned toward the best method of getting ashore. By a kind of a 16 to 1 method,—16 kicks to one foot of progress—Mac landed safely, but on the same side he started in at. By this time he was over his hurry, and tying up the canoe he crossed at the ferry and struck out for Toledo, a wetter but wiser man. Mac says the next time they get him into a canoe he will have to be blindfolded and dragged.

Died.

BROCK—At her home near Little Elk, on Monday, May 18, 1896, Edith R. Brock, wife of R. L. Brock.

Born.

DAVIS—To family of W. L. Davis, of Newport, on Sunday, May 17, 1896, a son.

Bear in Mind

There is a store on Yaquina Bay where you can, at any time, find a full stock of Groceries, Flour and Feed, and the same will be sold at very reasonable prices.
