TOO LATE! TOO LATE!!

It is too late to get an Abstract of Title to a piece of
 land after you have bought it and found out that there are
 judgements and tax liens against it. The proper thing to
 do is to have the

LINCOLN COUNTY ABSTRACT COMPANY,

of Toledo, make you an Abstract of Title before investing
 your money. A business man now days never buys real

Nortons Notes.

The moist atmosphere Sunday
 did not dampen the ardor of the
 committee who are preparing for
 the open air services next Sunday
 near the Hamar place, now owned
 by N. F. Edwards. The two
 Sunday schools will combine for
 the lesson at 10:30 a. m. The
 Nashville Sunday school will then
 render a musical and literary pro-
 gram. After a basket dinner, free
 to all, the Nortons Sunday school
 will furnish their program toward
 celebrating Children's Day. All
 are invited to come and spend the
 day with blossoms, and the children,
 who are the buds of promise of the
 generation that shall rule when we
 rest under the daisies.

Mr. Harrington passed through
 Nortons with a good team this
 week, with which he intends to
 haul goods from the station here to
 a store which he will stock at Sun-
 shine.

Miss Sarah Wright, from Sun-
 shine, came to Nortons Saturday.

The Hamar girls from Steer
 creek, attended the Nortons Sunday
 school this week.

Hubert Derrick made a flying
 visit in this vicinity Sunday.

A present inhabitant of Nortons
 saw a wild cat just beyond Summit
 last Saturday evening and returned
 to inform the "bridge boys." They
 gathered up a lot of old
 muskets and some shepherd dogs
 and started. Dick soon saw it,
 but a careful reconnoiter soon
 proved "it" to be a small owl, and
 our heroes returned from their
 exploits without a scratch.

Dave Hamer was in Nortons
 Sunday bidding friends good bye
 as he starts for Eastern Oregon
 with a band of cattle this week.

Joe Price is content to settle
 down after his recent visit to Polk
 county. He thinks "There's no
 place like home."

Nortons Notes.

(Received too late for last week.)

Election passed without accident,
 but not without incident.

There is much sympathy for the
 settlement on "Salt creek."

George Hamer has returned from
 Hosksns.

Our teacher reports a very enjoy-
 able time at the Institute.

Some of our citizens have signified
 their intention of attending the local
 institute at Eddyville June 13.

Preparatio are still in progress for
 the open air services by both the
 Nortons and the Nashville Sunday
 Schools on Children's Day June 14.

The dance at N. F. Edwards,
 May 22, will be long remembered
 with pleasure by those who attended.

Gordon Robertson's jolly crew
 of oridge carpenters spent a few
 days at Nortons a week ago.

John Hewit is filling the place of
 James Curry temporarily as rail-
 road section boss. Mr. Curry is
 working for Bergen.

Judge Bryson, of Corvallis, spent
 last night at H. S. Porter's.

PEARL.

Nortons, May 30, 1896.

News Of Salado.

(Received too late for last week.)

All the farmers have their gar-
 dens planted and we are all taking
 a rest.

The campaign rustlers have all
 got home, and we suppose they are
 having a good rest—we hope so
 anyway.

W. H. Daniels has gone to
 Astoria to work this summer.

M. L. Glass passed by Salado on
 his way to Toledo this morning.

A mistake was made by one of
 the Salado correspondents. They
 said that Mr. Robt. Vanvleet had
 gone to California, whereas he has
 only moved his blankets down near
 Elk City and went in camp with
 P. N. Lathrop and son, Harold, to
 cut wood for Mr. Deyoe, our Elk
 City merchant.

Geo. Hodges was out hunting
 last Sunday, and his old dog, Lady,
 started a bear. Mr. Hodges shot
 at it, but the dogs were so close to
 it he did not give it a dead shot,
 and the dogs ran it off. He thinks
 he killed it, but is not sure, as he
 could not overtake it.

Mr. Craft was very fortunate on
 election day. His bees swarmed
 and settled on a bush close by the
 old swarm. He did not find them
 until the next day. He succeeded
 in getting them in a new hive.
 Bees do well here and our honey is
 of a splendid quality.

RELIABLE.

May 2, 1896.

Party lines in Oregon seem to be
 thoroughly broken. The fall cam-
 paign will be entered into with dis-
 organized forces, and the outcome
 is extremely problematical.

sweet

Science is "knowing how."
 The only secret about **Scott's**
Emulsion is years of
 science. When made in
 large quantities and by im-
 proving methods, an emul-
 sion must be more perfect
 than when made in the old-
 time way with mortar and
 pestle a few ounces at a time.
 This is why Scott's Emulsion
 of cod-liver oil never sepa-
 rates, keeps sweet for years,
 and every spoonful is equal to
 every other spoonful.

In other emulsions you are liable to
 get an uneven benefit—either an
 over or under dose. Get Scott's.

SCOTT'S EMULSION has been endorsed
 by the medical profession for twenty years.
 (Ask your doctor.) This is because it is
 always palatable—always uniform—always
 contains the purest Norwegian Cod-liver Oil
 and Hypophosphites.
 Put up in 50 cent and \$1.00 sizes. The small
 size may be enough to cure your cough or
 help your baby.
