Court adjourned to meet Wednesday, September 9, 1896.

That rump democratic convention at Portland last Saturday must have been a dandy. There were just eleven representatives outside of Portland. These eleven contained four bankers. The only counties represented outside of Multnomah were Wasco, Umatilla, Washington, Clackamas and Marion. Yet these self-appointed mouthpieces will pretend to speak for the great democratic party of Oregon. Every one of them ought to be arrested for attempting to impersonate something which they are not.

There is not 150,000,000 of silver for sale in the world today on reputable authority.

Merit

Made and Merit Maintains the confidence of the people in Hood's Sarsaparilla. If a medicine cures you when sick; if it makes wonderful cures everywhere, then beyond all question that medicine possesses merit.

Made

That is just the truth about Hood's Sarsaparilla. We know it possesses merit because it cures, not once or twice or a hundred times, but in thousands and thousands of cases. We know it cures, absolutely, permanently, when all others fail to do any good whatever. We repeat

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier.

Hood's Pills cure nausea, indigestion, biliousness. 25 cents.
