C. L. GOWELL.

A regular Sullivan-Corbett set-to occurred at the court house yesterday, and the atmosphere up around there is so warm yet that all the county officers feel as if they had on their winter clothes in the summer time. The principals in the affair were Frank Stanton and Lawyer F. D. Carson. The difficulty arose over some business matter, and after a few preliminary words the combatants went at it. "Markis of Strawberry" rules governed the fight, with intervals of "catch-as-catch-can." Father Hyde was referee and timekeeper, and Ben Jones and Lee Wade were the principals' seconds. Only one round was fought. The men toed the scratch at 3:40 p. m., and started up amid considerable enthusiasm. After seeing that the mill had started all right the two seconds being a little behind with their work went back to their labors and left the battle in charge of the referee. Referee Hyde being a man of fixed habits, and as one of his habits is to take a nap about that time of day, went to sleep after watching the scrap for a few minutes, and so the scrap was without control. Just before train time the fighters made some kind of an unusual noise which frightened the lady clerk in the sheriff's office, and so Sheriff Landis went into the room to see what was the matter. He awoke Referee Hyde, who informed him that the men were fighting. So the sheriff promptly separated them. The referee declared it a draw. Time 1:15 hours. No arrests as yet, but Marshal Ruhl is collecting evidence.

A ratification meeting was held at Newport last night at which a rousing time was had. After the meeting a Bryan club was organized with sixty charter members. Good for old Newport.

Freeman Dodge expects to receive the machinery for his new cannery at Newport on next steamer. He will have the plant in operation within a week after the machinery arrives. This cannery will be a great help to the Bay.

Henry Burns and son Fred, returned from California last Tuesday evening, where they have been working for the past two months. Mr. Burns reports times as dull in California as they are here. He also says that Northern California and Southern Oregon are strongly for Bryan and free silver.

Wm. Alexander informs us that steps are being taken to organize a McKinley club at this place next Tuesday night. We thought that Toledo already had a McKinley club. Perhaps it is intended to have two McKinley clubs here so that all the members of both clubs can hold offices in the club.

H. L. Huffman received two dogs by express, all the way from Pennsylvania last Tuesday. They are said to be genuine English bloodhounds, full pedigree. Mr. Huffman says that the two cost him a little over a hundred dollars, the express on them being a trifle over forty dollars. The bear and cougar up in Mr. Huffman's neighborhood had better look out now.

T. Huntsucker was seriously hurt at Mackay's logging camp on Pool's slough last Tuesday. He was helping skid some logs with a team of horses, when the log caught him in some manner crushing him across the groin. Dr. Carter was summoned and gave him medical aid. He pronounced no bones broken, but the injuries are quite serious, but not necessary fatal.

The school directors held a meeting last Saturday and made arrangements for school to begin next Monday. The term will be six months, and teachers employed are, Prof. L. K. Brooks, principal, and Mrs. Eunice Akin, primary. These are the same teachers that were employed last term, and their selection by the board insures a successful term of school.

Dr. Carter informs us that steps were taken at Elk City last Saturday night to organize a McKinley club. A temporary organization was formed with Dr. Carter, president, and G. E. Davis, secretary. About twenty-five signified their willingness to join the club. The meeting adjourned until last night, when a permanent organization was made, with the same president and secretary, and J. H. Blair treasurer. About ten more names were added to the roll last night.

Rev. Howell will preach at Mill Four next Sunday at 3 o'clock p. m.

A petition has been circulated asking the county court to put a bounty of \$2. on bear scalps. In some parts of the county bear are getting pretty thick and the ranchers would like to see them cleaned out a little.

In describing the operation upon the foot of child of Mr. and Mrs. McNeil last week, Dr. Parent informs us that an error was made. The child was a sufferer with talipes equinus, and not of club foot as erroneously stated in the item.

Dr. R. E. Darnell, of Kalama, Washington, is a recent arrival in this county. Dr. Darnell contemplates locating at Newport and engaging in the practice of medicine. At present he is visiting with Dr. Parent, of this place, of whom he is an old acquaintance.

A lodge of the Woodmen Circle was instituted last Friday night at the Odd Fellows hall in this place. The lodge starts out with a membership of about 20, which will rapidly increase. The lodge is known as Syringa Circle, and it promises to be a valuable addition to Toledo's fraternal and beneficiary societies. The officers elected are Mrs. E. B. Gowell, N. G.; Mrs. R. A. Parent, adviser; Mrs. May Bethers, clerk; Mrs. Effie Rich, banker; Mrs. Alice Waugh, G. M.; Miss Maud Rader, attendant; Mrs. Eva Peterson, I. S., and Mrs. Eunice Akin, O. S.
