THE AMERICAN MONTHLY REVIEW OF REVIEWS

It is impossible to promise particular features that will appear in the "AMERICAN MONTHLY" during the coming year, for it is, as the Bookman says, "a great monthly newspaper." As such, it points to its readers an illustrated account of the notable things which make the history of the month, of the political, economic, and literary happenings which are of value to intelligent men and women. The Editor's "Progress of the World" tells succinctly an illustrated story of the month. The "Leading Articles"

"We know of no review published in this country or in Europe, which combines so successfully as the AMERICAN MONTHLY the alertness, business and energy of Journalism with the judgment, carefully weighed opinion, exact knowledge and well-chosen English of the purely literary periodical." —The Outlook.

give the best thought and information of the current magazines in five continents; the contributed articles furnish the character sketches of the man of the month, and give timely discussions by authorities on any question of immediate serious import.

The result of this comprehensive effort to edit in one monthly volume the information needed by intelligent people of "live" instincts is best gauged in the opinions which the readers of the AMERICAN MONTHLY have seen fit to express. These are thinking business men, clergymen, editors, lawyers, professors, engineers, the wide-awake women of America. They write that the AMERICAN MONTHLY "is indispensable"; "is simply invaluable"; "is a generous library in itself"; "is a historical cyclopedia of the world"; "the best means of aid for a busy man"; "the best periodical of the kind we have ever had"; "a triumph of editorial genius"; "the world under a field-glass," etc., etc.

The Wonders of Science.

ASTHMA AND CONSUMPTION CAN BE CURED.

New York Chemist and Scientist Makes a Free Offer to our Readers.

A distinguished New York chemist, T. A. Slocum, demonstrating his discovery of a reliable absolute cure for Consumption (Pulmonary tuberculosis) and all bronchial, throat, chest disease, stubborn coughs, catarrhs, general decline and weakness of flesh, and all conditions of wasting away, will send **THREE FREE BOTTLES** (all of his New Discoveries) to any afflicted sufferer of the LINCOLN COUNTY LEADER who writes.

"New Scientific Treatment" has cured asthma permanently by its timely use, and offers a simple professional duty to humanity to donate a trial of his infallible cure.

Science daily develops new wonders, and this chemist, patiently experimenting for years, has produced results as beneficial as can be achieved by any modern genius. His assertion that lung troubles and consumption are alike in any climate is proven by "heartfelt expressions of gratitude," filed in his American and European laboratories in thousands from those afflicted in all parts of the world.

Medical experts concede that bronchial, chest and lung troubles lead to consumption, which, if interrupted, means speedy and certain recovery. Write to T. A. Slocum, M. C., 98 Pine Street, New York, giving postoffice and express address, and the free medicine will be promptly sent. Sufferers should take instant advantage of his generous proposition.
