Lester Waugh went to Corvallis last Wednesday.

We want a few bushels of apples and potatoes on subscription.

Mrs. Alice Waugh left for Dallas this morning.

Bills were printed at this office this week announcing a grand masquerade ball, to be held at Jones' hall in this place on Christmas night.

Lark Hall, an old resident and ex-sheriff of Polk county, is in Lincoln county looking at some real estate which he is thinking of buying.

We wish that all our old subscribers who intend paying in potatoes or apples would bring or send the same in at once. We wish to know how many we are going to receive.

J. S. Gaither, the accommodating O. C. & E. agent at this place, went to Yaquina Tuesday night to take the place of the agent at that place, who took a few days layoff. Miss Elva Akin took Mr. Gaither's place here during his absence.

This week Wallis Nash and family quit Portland to take up a residence on the Rock Creek farm. A desire to improve the farm and to prepare it for the market is the reason for the change. It is expected now that the stay on the farm will be for a year at least.—Corvallis Times.

After a vacation of a week and a half on account of the outbreak of measles, school at this place reopened yesterday morning. There are no new cases of measles in town, and all the old cases have convalesced, so it was not deemed necessary to continue the vacation longer.

Dr. Miles' Pain Pills, "One cent a dose."

N. Lunde, of this place, has been appointed agent of the Webfoot Nurseries, of Salem, and is now prepared to sell nursery stock of all kinds to the people of Lincoln county. The Webfoot Nurseries are dealers in strictly first-class stock only, and my stock ordered from them through Mr. Lunde will be found true to name and free from all insects and pests.

Mr. Christopherson who has had a bond on the Hunt place across the Olalla has closed the purchase and become the owner of the same. The tract consists of ten acres, part tideland and part hill land. He has made a contract with the Ewing boys to clear up every bit of the tract, and he will place it in good cultivation. He is repairing the buildings on the place, making them suitable for occupancy.

Every woman needs Dr. Miles' Pain Pills.

The O. C. & E. makes a half rate tomorrow to the football game at Corvallis.

E. S. Crosno, late of North Yakima, Washington, has secured a position in Krogstad's drug store.

Gene Williams was up from Newport yesterday. It is whispered that Gene will not run from a republican nomination for sheriff next spring, when the ticket is made up.

Brick Porter, a son of Mack Porter, of Benton county, was in Toledo Wednesday, and that evening went on down to Alsea. The Porters are heavy cattle raisers, and Mr. Porter's trip to this county was for the purpose of looking up a better range for their cattle.

After hearing some friends continually praising Chamberlain's Colic Cholera and Diarrhoea Remedy, Curtis Fleck, of Anaheim, California, purchased a bottle of it for his own use and is now as enthusiastic over its wonderful work as any one can be. The 25 and 50 cent size for sale by O. O. Krogstad, druggist.

W. W. Jessop, the racket store man, and his wife left for Minnesota last Monday. He sold most of his goods before leaving, and the ballance of them were rebought by C. Johnson. Mr. Jessop had lived for many years in Kansas, and he evidently got homesick for a cyclone or a blizzard.

J. R. Abbey, who has been chief train dispatcher for the O. C. & E. for a number of years, and who has been connected for a long time with this railroad, has resigned his position and retired from the employ of the company. His place as chief dispatcher is taken by Mr. Roberts, who has been agent at Yaquina for some time.

Paul Muszynski has filed a claim for \$300 damages before the county court for damages which he claims that he will sustain if the road recently petitioned for by H. R. Sturdevant and others, be located on the route selected by the viewers. Mr. Muszynski owns the old Denlinger farm, and he claims that the route selected for the road zigzags across his place and will cause him great trouble and expense to fence, and for that, and other reasons, he will be damaged in the sum of \$300 if the road is finally located on that route.

The workmen are busily engaged finishing the upper part of the new Ofstadahl block. The row of offices on the north side have been completed ready for the painter and paper hanger. There are some handsome offices in this row. The front room has already been leased by B. F. Jones, who will occupy it with his law office when his term as county clerk expires. The carpenters are now at work on the hall on the south side of the building. The work is all being done in first-class manner, and when completed the building will be one which the town, as well as the owners may feel proud.

Tetter, Salt-Rheum and Eczema.

The intense itching and smarting, incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box.

Dr. Cady's Condition Powders, are just what a horse needs when in bad condition. Tonic, blood purifier and vermifuge. They are not food but medicine and the best in use to put a horse in prime condition. Price 25 cents per package.

Lincoln County, Oregon.

Under the above heading Col. F. J. Parker's paper, the Walla Walla Statesman, says:

"The LEADER, published at Toledo, Lincoln County, Oregon, is trying the experiment of a semi-weekly edition at the price of one. It is to be hoped that the proprietor will make it pay. Such enterprise in that neck o' woods will surely surprise the mossbacks down there and cause them to think the world is coming to an end. Lincoln county is the best county in Oregon for diversified farming, and with its mines and quarries yet comparatively undeveloped, will yet be one of the richest counties in the state. Irrigation is unnecessary and the insect pests so detrimental to counties outside the coast range are here unknown. A wormy apple is never seen there, and some of the oldest orchards in the state have proved their non-existence for the past forty years. Why this county is not more populated by an energetic class of people is one of the mysteries."

Colonel Parker is mistaken about the people of Lincoln county being mossbacks. We have found the people of Lincoln county to be progressive and energetic. The Col. is eminently correct about the advantages and resources of the county. Lincoln county is destined to be a great and wealthy county.

Gowell is not undersold.

Gowell buys and sells everything.

Rolled oats at Booth's 3½ cents per pound.

Rolled wheat at Booth's 3½ cts. per pound.

Three lb package gold dust at Booth's only 23 cents.

Charley Doncastor, of Newport, was a passenger on Wednesday's train, bound for Portland in search of employment.

Go to Gorman's, at Yaquina, if you want to buy latest improved Wheeler & Wilson sewing machines at wholesale prices.

It is intended to organize a tent of the Maccabees in this place tonight. J. B. Irvine, of Corvallis, will be the instituting officer.

A good program was rendered at the literary society last Wednesday night. The question for debate was an important one, and the debate was spirited. The question was, Resolved, that to spend any more money for the improvement of Yaquina bay would be a waste of money." C. L. Gowell and Harry Denlinger affirmed and B. F. Jones and Wm. Alexander denied the proposition. The debate was spirited, but as no judges had been selected no decision was rendered, so this very momentous question still remains unsettled so far as Toledo's literary society is concerned.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if let to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction. Oolagah, Ind. Ter. Chief. This is the only remedy that is known to be a certain preventative of pneumonia. Among the many thousands who have used it for colds and la-grippe we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have a reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent bottles for sale by O. O. Krogstad, Druggist.

SPINAL weakness easily cured by Dr. Miles' Nerve Plaster. "One cent a dose."

1 lb Schillings Baking Powder at Booth's 43 cents.
