### LOCAL NOTES

Pure cider v negar at H. Lewis. Schillings pepper at Booth's 12cts. Arm & Hammer soda at Booth's 7 cents.

Holiday goods at Gowell's. A good Christmas and New Year to all.

Ira Wade came up from Newport Wednesday morning.

A. T. Peterson made a trip to Albany the first of the week.

If you don't trade at Gowell's you don't get the best goods for the least money.

Judge W. S. Hufford came over from Corvallis Wednesday returning this morning.

We extend the greetings of the seasons to the 600 readers of the LEADER. A merry Christmas to one and all.

Just received, a new stock of Gents' furnishing goods; also a new stock of men's pants, hats and caps, at Lewis.

Mrs. R. E. Collins expects to leave for Portland in a few days to join her husband who has employment at that place.

When looking for suitable Christmas presents call and inspect our big stock of well selected goods.—Krogstad, The Druggist.

Torkel Larson has bought the wrecked lumber shed at the sawmill here, and build barns and will steds with it on his farm across the Olalla.

Among the other Christmas trees in this county will be one held by the school and the people generally at Siletz. They were over yesterday getting the necessary good things.

A letter from Mrs. Wakefield the first of the week announced that her husband Wm. Wakefield, was not improving any in health. We regret to hear of Mr. Wakefield's continued illness.

John Allen, late of Windom Minnesota, was a pleasant caller yesterday. Mr. Allen is a man of considerable means and is seeking a location in this county. He is very favorably impressed with the county and its climate. He states that there are several other families that intend coming from Minnesota to this county in a short time.

The O. C. & E. shops at Yaquina, have recently fitted up a boarding and lodging train for the Western Construction company. The outfit consisted of dining cars, cooking cars, bunk cars, etc., and consisted of sixteen cars in all. The outfit is to be used on the construction work on the Astoria road, and left for that place last Sunday as a special train.

The Corvallis people do not seem to be greatly enthused over the recent railroad plans of Mr. Hammond as regards the O. C. & E. They profess to fear that the boom created by building the extension will be diverted to Astoria. We are inclined to think however that the threatened removal of the general offices of the road from Corvallis to Albany is the cloud in which the Corvallis people fail to find the silver lining.

Dr. Miles' Pain Pills, "One cent a dose."

New full cream cheese at Lewis. Special bargains at Gowell's.

Nine pounds of whole roasted coffee for \$1 at Gowell's.

C. C. Hogue, of Albany, was in Toledo Tuesday night on business.

On an average bill Gowell's figures are always the lowest.

W. A. Gentry is up from Yaquina today making proof on his homestead.

The storm of wind and rain made a failure of the shooting match today.

A. L. McFadden, of Corvallis, has been appointed assignee of the firm of Nichols & Holm, of Philomath.

Go to Gorman's, at Yaquina, if you want to buy latest improved Wheeler & Wilson sewing machines at wholesale prices.

Section Foreman Gannon completed the sidewalk from the depot to connect with the walk at Snow's store today. This walk will be greatly appreciated by the people.

You can not afford to let Christmas pass without returning a kind favor by making somebody a present. Krogstad, the Druggist, has what you want.

Albert Meaker made another shipment of cattle yesterday. The shipment consisted of but one carload, and among them were some big steers that approached the 1,700 pound notch.

Good advice: Don't postpone till the last minute the selecting of your Christmas presents, thereby missing what you most desire. Come early and look over the fine assortment at Krogstad's, the druggist.

The city workmen made the connecting link Wednesday, and there is now a good sidewalk along the west side of Hill street from Second street to the court house. This is now a good dry thoroughfare.

Gowell has enjoyed a good business during the past year and acknowledges many favors from the public. And with thanks for the past generous patronage promises his best efforts to supply his constantly increasing trade.

The time for redemption of property sold at the tax sale two years ago has expired most instances, and will all expire within a week. There have been a goodly number of redemptions during the past two weeks. Still, a large body of property bought in by the county has not been redeemed, and the title of the same has passed to the county.

A 25 pound mangel wurzel and a colorabus that weighed nine and three-fourths pounds, were a couple prize vegetables that were brought to this office Wednesday by G. C. Stakely, of this place. Mr. Stakely raised these monster vegetables on the tideland just above town, and their size indicates the extra fertility of tide-land soil, and its great productiveness. We believe that Mr. Stakely is entitled to the credit of raising the biggest mangel wurzel Oregon has produced this year.

We are in receipt of a letter from our old friend Henry Kruse, formerly of this place. Henry is now a farmer in Iowa, and has been a granger for two or three years. He says that thing that puzzles the farmers of Iowa is to tell the difference between a Cleveland panic and a McKinley boom. He says that corn brings 25 cents per bushels there, but 9 cents of it is confidence and 16 cents cash. Oats the same price. Hogs are correspondingly low. Horses range from \$5 to \$40 each. The only thing which brings a good price there he says is cattle. The price is way up on them but the country is bare of them, they having been all sold off.

NEURALGIA cured by Dr. Miles' PAIN PILLS. "One cent a dose." At all druggists.

Captain Clark brought down a load of Elk City people to the shooting match today on the launch Mascotte.

It comes to us straight that Albert Meaker has been buying calico. Albert claims that he bought it to blindfold a steer, but a bachelor like Albert buying calico looks very suspicious.

Don't be persuaded into buying liniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following from L. G. Bagley, Huneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for years." It cures rheumatism, lame back, sprains and swellings. For sale by O. O. Krogstad, druggist.

J. Pierpont Morgan bought a dog the other day, and the public may as well prepare for the announcement of the formation of a dog trust.—Washington Post.

The Cuban republic might try the experiment of declaring for the single gold standard as a means of securing recognition from the patriotic gentlemen who are now running the affairs of the United States.—Omaha World-Herald.

The visible supply of wheat on December 1, is given as 33,656,000 bushels. On the corresponding date last year it was 58,914,000 bushels. Not since 1890 has the visible supply at this season of the year been so low as now.

The Roseburg Review sets up a cry that Pennoyer is about to capture the leadership of the democratic party of the state, and vigorously protests against the threatened capture. The Review may be right or it may be wrong in its surmises of what Pennoyer's intentions are. Whether he wishes for more political honors or not we do not know, but we do know that Pennoyer is a power in the political field of Oregon, and we consider it very poor policy to raise a fight in the reform ranks until there is something tangible to raise a fight over.

Tetter, Salt-Rheum and Eczema. The intense itching and smarting, incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box.

Dr. Cady's Condition Powders, are just what a horse needs when in bad condition. Tonic, blood purifier and vermifuge. They are not food but medicine and the best in use to put a horse in prime condition. Price 25 cents per package.
