#### How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if let to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction. Oolagah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventative thousands who have used it for resulted in pneumonia. Persons who have weak lungs or have areson to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent bottles for sale by O. O. Krogstad, Druggist.
