Postmaster Stanton is wrestling with a well developed case of the measles.

Well, after six months of blow, bluster and threat, the great county court of this county has finally brought a suit against the clerk and his bondsmen. This much is certain. The whole thing will come to light. If the clerk owes the county anything he ought to be made to pay it. If the county owes the clerk anything, that ought to be paid. But there will be an end to packing drunken expert's reports round in red leather grips. The whole thing will now come to light.
