Cigars of Paper.
A German chemist announces that he has discovered a method of making cigars, without the use of tobacco. He proposes that people shall smoke paper instead of nicotine, but it is a paper which has been previously soaked in a preparation of which he is the inventor, which will give the smoker precisely the same sensation as though he were smoking "real" tobacco. He declares that his formula will give forth an aroma equal to that which perfumes the air when a fine cigar is smoked.

The lecturer on health had finished his discourse and invited his auditors to ask any questions they chose concerning points that might seem to need clearing up, when a lean, skinny man rose up and asked: "Professor, what do you do when you can't sleep at night?" Insuring German Workmen.
Under the laws which compel both German employers and employees to contribute to sick funds, accident funds and funds for the aged and incapacitated, about \$300,000,000 have been paid during the last decade to 25,000,000 employees. The sums paid in during that period amounted to \$460,000,000, of which the masters contributed \$240,000,000 and the men \$220,000,000. Many large firms have also private pensions and other funds to which they contribute liberally, and profit-sharing prevails to some extent.

FABULOUS WEALTH.
The "incalculable mineral wealth" of newly found mining regions largely run by syndicates and promoted by transportation companies is in too many instances really a fable. The products of industry in legitimate fields of enterprise nearer home are far surer and promise more stable rewards. No one will go unworried in the matter of improved health who uses regularly Hostetter's Stomach Bitters for malaria, dyspepsia, constipation, biliousness, etc.

In the jungles of Sumatra the largest spiders are found. Some of the largest specimens measure eight inches across the back and have 17 inches of leg spread.

AN OPEN LETTER TO MOTHERS.
We are asserting in the courts our right to the exclusive use of the word "CASTORIA," and "PITCHER'S CASTORIA," as our Trade Mark. I, Dr. Samuel Pitcher, of Hyannis, Massachusetts, was the originator of "PITCHER'S CASTORIA," the name that has borne and does now bear the fac-simile signature of CHAS. H. FLETCHER on every wrapper. This is the original "PITCHER'S CASTORIA" which has been used in the homes of the mothers of America for over thirty years. Look carefully at the wrapper and see that it is the kind you have always bought, and has the signature of CHAS. H. FLETCHER on the wrapper. No one has authority from me to use my name except The Centaur Company of which Chas. H. Fletcher is President.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. A LETTER TO WOMEN.

A few words from Mrs. Smith, of Philadelphia, will certainly corroborate the claim that Lydia E. Pinkham's Vegetable Compound is woman's ever reliable friend.

"I cannot praise Lydia E. Pinkham's Vegetable Compound too highly.

"For nine weeks I was in bed suffering with inflammation and congestion of the ovaries. I had a discharge all the time. When lying down all the time, I felt quite comfortable; but as soon as I would put my feet on the floor, the pains would come back.

"Every one thought it was impossible for me to get well. I was paying \$1 per day for doctor's visits and 75 cents a day for medicine. I made up my mind to try Mrs. Pinkham's Vegetable Compound. It has effected a complete cure for me, and I have all the faith in the world in it. What a blessing to woman it is!"—Mrs. JENNIE L. SMITH, No. 324 Kauffman St., Philadelphia, Pa.
