This morning John Logan hit the road for Falls City, where he will accept work. He went for the purpose of obtaining money for taxes on the old home so that dependent ones might not be worried, and by so doing shows himself to be a dutiful son—one a mother may well be proud of having reared.

Pool Slough Items.

The tide still rises and falls in the slough. We are glad it does, for if the water was always low there would have to be a foot bridge built over Logans slough at once. Why, I wonder?

Miss Daisy Ferr has been confined to her home for several weeks, but is slowly recovering and we hope to see her out soon.

Mr. J. Walling and family, or at least a part of them, are living on the A. Parker place, and the remaining members will soon arrive from Beaver creek. We are glad to see them back on the slough again.

Two young ladies while out strolling last Sunday, were very fortunate, or thought they were, in treeing a couple of large coons, but on a close inspection they discovered that the animals had two legs instead of four. The coons escaped.

We would like to know how long marriage license holds good.

For several Sundays past we have seen a number of young Johnnies roaming over the hills with their guns shooting robins and other songsters. We are sorry to see you do so boys, especially on the Sabbath. Read Exodus 20th 7-12.

Mr. Geo. Emerson has been engaged in cutting cord wood for Simon Linton. Mr. W. White will soon begin hauling and banking it.

Some people drink coffee, but "T" is the rage on the slough.

Should any sufferer profit by giving Pain Balm a trial it will please me." For sale by Otto O. Krogstad, druggist.

Dated at Toledo, Or., March 11, 1899.

J. H. ROSS, Sheriff of Lincoln County, Oregon.

Mankind needs a herald, like the heralds of old, to proclaim so that all may hear, the vital importance of health. The average man of to-day thinks it beneath his dignity to bother about his health until it is gone. Even then he only takes measures to restore it in an indifferent, contemptuous sort of way.

Men cannot learn too soon that health is the most important thing in life—in fact, is life. Without it the most brilliant man will be a failure, and the most robust man will rapidly become a physical wreck. The man who neglects the little headaches, the loss of appetite and sleep, nervousness, hot flushings, cold chills, heavy head, lax muscles, and the multitude of bad feelings that are the heralds of approaching sickness and disease, must pay a tremendous penalty. For men who suffer in this way there is no medicine equal to Dr. Pierce's Golden Medical Discovery. It sharpens the appetite, corrects all disorders of the digestion, invigorates the liver, makes the assimilation of the food perfect, purifies the blood and enriches it with the life-giving elements that build new, healthy flesh. It is the great blood-maker and flesh-builder. It cures 98 per cent. of all cases of consumption and is the best of all known remedies for nervous troubles. Thousands have told, over their own signatures, the stories of the wonders it has performed. Honest dealers will not urge a substitute for the sake of a little extra profit.

Thomas Fletcher, of Clifton Station, Fairfax Co., Va., writes: "I suffered terrible tortures for ten years with 'gastralgia' (pain in the stomach). I then took six bottles of Dr. Pierce's Golden Medical Discovery, which completely cured me."

When the bowels are regular the body will feel good and the mind will be active. Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. All good dealers sell them and have nothing else "just as good."
