OF INTEREST TO EVERYBODY.

Dewey Day.

Our public schools very properly celebrated May Day by rendering a program in each department in honor of the first anniversary of the victory of Admiral Dewey at Manila. A very pleasant and instructive program was rendered by Prof. R. F. Holm's students, who sang patriotic songs and declaimed creditably patriotic compositions. A number of Toledo's citizens were present. Mayor B. F. Jones addressed the school through the medium of a nicely prepared article, full of instruction and patriotic sentiment. The entire audience was much pleased and gave the gentleman marked attention. Following him several citizens voiced the expression of pleasure at the progress and interest of the school. Among these were Superintendent Bethers, and Directors Crosno and Ostedahl.

At 2 p. m. Miss Collison's little ones began the rendition of their program. It was excellent and was carried through without a "bobble." To the ordinary mind, the work of Miss Collison is marvelous. She has forty pupils—little tots. Everyone had a part; was pleased to nicely acquit himself in that part. The usual hesitancy and stammering among little ones when they appear before an audience, was not found in any degree, but each answered promptly to his call on the program, delivered his part energetically and retired—and the life and energy thrown into their songs and work, the happy sparkle in each eye, would cure the most stubborn blues and effectively drive dull care away. Each part deserves special mention but space forbids. The last number was a pretty march by the entire school, during which Gertie Crosno, chosen by a vote of the school, was crowned Queen of the May.

Some forty grown people were present to enjoy the program and went away greatly pleased.

About this time the intermediate department began their program and the visitors nearly all repaired thither to see what might be seen.

Here also Miss Nichols' pupils acquitted themselves nicely. Her pupils rendered some very patriotic and stirring songs and declamations and fittingly celebrated The First of May. Miss Nichols has but recently taken charge of this department but is doing good work and is well loved by her pupils, which augurs well for her success.

Wholly it was a gala day and one which Admiral Dewey, himself, would have thoroughly enjoyed, and he would have noted with pride the fact that a country, whose every child is inspired with patriotism and love of liberty as these were, would never need men or spirit to uphold the Banner of Freedom in vain. Toledo public school is a thorough success, its standard of education is ever being advanced it is the banner school of the county and Toledo people are justly proud of its standing.

Miss Lenora Derrick arrived from Eddyville Friday and spent the time till Tuesday visiting among Toledo friends. In company with her brother Jim she made THE LEADER office a pleasant call Monday afternoon. Tuesday morning she returned home.

Our enterprising farmer Hans Olson departed Monday morning for his old home near St. Paul, Minn. He goes there to bring more settlers to this part of Oregon and THE LEADER is satisfied he will succeed. This locality needs more people, nothing else. The rest is here in evidence. Bring us more people, and a more prosperous country cannot be found. Settlers are our only need and they are coming more rapidly every day.

C. P. Church of Portland, of the firm of Church & Finch, owners of the Kernville cannery, returned from a visit to the plant Friday and returned to his home Saturday. While here he asked a LEADER reporter if there were any christians in this place, and added, "I don't see how there can be any christians in a country where such roads as the one from Toledo to Siletz exist."

They are making good money in the beach mines on South beach now. Miners are using a miniature hydraulic plan to run the sand into the boxes and one man by this method handles ten times as much as by the old method. It has made quite a revolution in this class of mining.

Toledo has lost one of her girls for a time in the person of Miss Burd Raines who has accepted the management of the Monterey hotel during the the coming season. Joe Ewing came to convey her thither Monday afternoon. One young man, at least, will be disconsolate.

Al Taylor and his family took their household goods aboard a scow Friday afternoon and departed for their home near Mill Four. Their many friends regret their departure from town.

Mrs. Rose Waugh, nee Rader, who now lives in Albany, arrived Saturday to visit her babies and her mother who cares for them during her absence.

Ed. Seidler, the popular bath house man at Newport, who has been spending the past month among Portland friends, returned Saturday.

Memorial Day will soon be here. How is our Post prepared for its arrival. A speaker has been secured, has anything else been done?
