Many people burn the candle of life at both ends. Some men who new into vicious d tion use up their en-ergies just as much by overwork or late hours; and nearly all women are compelled by circumstances to use up their vital powers beyond all reason: It may be in housework; or social demands; or the bearing and rearing of children: At any rate the candle of life is too rapidly consumed.

Some people need to have their natural vigor constantly reinforced in the same proportion that it is used up. They need the fortifying help of Dr. Pierce's Golden Medical Discovery. It is a powerful alterative and invigorant of the digestive functions and liver; it cleanses the blood, and makes fresh blood and healthy flesh. Nervous, debilitated women should take it in conjunction with Dr. Pierce's Favorite Prescription which is specially designed for female weakness and nervous troubles.

Mrs. Sallie Kauffman, of Virgil City, Cedar Co., Mo., writes: "I had suffered from displacement of internal organs and female weakness for one year. Had a bearing down sensation and very disagreeable feeling after my second child was born; I could be on my feet only a few minutes until he was six weeks old, then I commenced taking Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription.' I took seven bottles in all. After taking the first bottle I felt much better. I think I am entirely cured of all my troubles. I can do all my work and am on my feet all day. I am in much better health now than I have been in four years; am fleshy and gaining strength very fast."

By writing to Dr. Pierce who is chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., careful professional advice will be obtained free of cost and specially adapted to the individual case. Dr. Pierce's great 1000-page Medical Adviser will be sent free for 21 cents; the cost of postage.

An Ancient Relief.
The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by O. O. Krogstad Druggist.

A Pleasure and a Duty.
I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. LYNCH, Dorr, W. Va. This remedy is sold by O. O. Krogstad Druggist.
