—W. L. DAVIS, EDITOR.—

FRIDAY, JUNE 16, 1899.

LOCAL IN BRIEF.

The mill has been plaining lum-
ber for the Waugh building this
week.

for a few days.

Yaquina Wednesday morning, after
attending to the customs at that
place for a day or two.

Mr. Hanlon of Ona, passed thru
yesterday enroute to McMinnville
where he will attend the annual en-
campment of the G. A. R.

C. R. Bevins and R. Tassell
came down from Elk City Tuesday.
Mr. Tassell is from California and
has purchased property near Elk.

Albert Lutjens, the merchant of
Lutjens on Alsea bay, passed thru
this place Monday night returning
from a trip to Portland on business.

Miss Mamie Wakefield, who has
been attending our high school this
winter, being one of its graduates,
is now at her Little Elk home.
While here she made a friend of
everybody in town and one and all
miss her pleasant smile and cheery
"Good morning," now that she has
gone. Her many friends wish her
every success.

Miss Bird Rains and Joe Ewing
were in the city Saturday visiting
parents. They reported some ex-
pected guests at the Monterey this
week.

Roll Chambers came up from
Newport yesterday. He will re-
turn to Canyon City next week;
thinks that section is good enough
for him.

some of our city's suburban streets

this place Wednesday evening en-
route to Newport to see his brother
Fred(?). He has spent over a year
now in Canyon City and returns to
visit his relatives and friends.

Mrs. Stein of Albany, a sister of
Mrs. Jno. McClusky, departed for
her home Wednesday after a pleas-
ant visit here. Mr. Pruett's crip-
pled boy, who has made his home
with her, accompanied her.

Mrs. L. W. Williams, Mrs. S.
Burrows and Miss Nellie Loomis
came up from Newport this morn-
ing and spent the day in the cap-
ital. Any one of them, though, is
now thoroughly prepared to con-
duct a creamery on the most ap-
proved lines.

The Court House.

The contract for the building of
a court house at Toledo was finally
let Friday to Messrs. Huffman &
Heckart for \$3,000. Five years
will not pass before every taxpayer
in this county will see that this
building was not only a necessity,
but that it was a good investment
from a business stand point as well.
Besides these reasons there is still
another: It will eliminate for a
number of years from the politics of
the county the county seat question;
one that has heretofore made it
impossible for any party to secure
a vote on any question or candidate
that could be relied upon as being
indicative of the strength of that
party. It was a had influence and
THE LEADER is sincerely glad it
is now laid aside. Different locali-
ties in a small county cannot afford
to be eternally at war. The whole
county suffers for such a state of
things, and when the cause is re-
moved every good citizen should
rejoice.

The building is not large nor is it
costly, except in the matter of the
vault, which is thoroughly good
and is good economy to provide,
but will do for our needs nicely till
our county lays aside its baby curls
and pinafores and dons the long
skirts, high heeled shoes and shirt
waists of modest young woman-
hood.

It is the intention now to provide
a county celebration of our nation's
holiday at Toledo and on that oc-
casion to lay the corner stone with
fitting ceremonies.

Should this plan be consummated,
all civic societies will be invited
from the different towns to be pres-
ent and take part in the ceremony,
and a day of general enjoyment will
be provided for every citizen of the
county who attends. Toledo will
do everything in her power to make
the day one to be remembered for
its pleasures and enjoyment.

A Card of Thanks

I wish to say that I feel under last-
ing obligations for what Chamber-
lain's Cough Remedy has done for
our family. We have used it in so
many cases of coughs, lung troubles
and whooping cough, and it has
always given the most perfect satis-
faction, we feel greatly indebted to
the manufacturers of this remedy
and wish them to please accept our
heartly thanks.—Respectfully, Mrs.
S. Doty, Des Moines, Iowa. For
sale by O. O. Krogstad, Druggist.

Par Excellence.

The Toledo Creamery is packing
butter now for cold storage. Tues-
day they turned out as pretty butter
as was ever made in any man's
country. When the churn was
opened the butter was as hard as
hard could be and it looked as if
every granule was just the same
size as its neighbor, but showed no
desire to stick to him; in fact, sort
o' stood aloof, independent and
alone.

Messrs. Stewart & Center are
now turning out a quality of goods
which will make the reputation of
their manufactured article par ex-
cellence. They were fortunate in
securing the services of Wes Maple
as their butter maker, as he is neat
to a nicety, particular as an old
maid that everything must be just
right, and he knows how to make
good butter.

The proprietors of the creamery
and the farmers also, are to be
praised for coming together to make
the enterprise a success. As an
infant enterprise its owners must
do just as well by the farmers as
they can in the price paid for milk.
And on the other hand, the farm-
ers must be willing to allow the
creamery to live; must not expect
more than the creamery can pay.
This seems to be the present spirit
and if it is fostered by both parties
this creamery and its patrons will
soon have established here an en-
terprise profitable alike to manu-
facturer and producer.

Supt. Bethers has been all week
visiting schools to the eastward;
came home last night.

The survey of Yaquina Bay by
government engineers is now being
made, it is reported. The Wright
will not be needed inside the bay
but only upon the outside work.

WANTED.—To sell or exchange,
a lot, valued at \$6c, in College Hill
ad. to Eugene. Will exchange for
good horse.

How to cure a Sprain

Last fall I sprained my left hip
while handling some heavy boxes.
The Doctor I called on said at first
it was a slight strain and would soon
be well, but it grew worse and the
doctor then said I had rheumatism.
It continued to grow worse and I
could hardly get around to work.
I went to a drug store and the drug-
gist recommended me to try Cham-
berlain's Pain Balm. I tried it and
one-half of a 50-cent bottle cured
me entirely. I now recommend it
to all my friends.—F. A. Babcock,
Erie, Pa. It is for sale by O. O.
Krogstad, druggist.

sition we defy competition from any

"The above article shows that
the editor of THE LEADER does not
know what he is talking about. It
is a very easy thing for THE LEAD-
ER to say that Mr. Harwood's arti-
cle is false, but proving it will be a
task that THE LEADER will be un-
able to perform." THE LEADER's
article about the Harwood fable
elicits the above from the pen of
Weatherston, Harwood's trumpet.
"THE LEADER does not know what
he is talking about," well, that is
quite likely. He is a new-comer,
having been here but a few weeks,
while Weatherston and Harwood
are old settlers in the Yaquina bay
country. Now Bro. Weatherston
isn't it a fact that you and Har-
wood were born and reared amid
the tall and stately firs of the Sius-
law, have never seen a railroad,
street car or steam thrasher, and
that you procured your information
concerning Yaquina from a deck
hand on the The Roberts? Our re-
porter has heard this story and is
led to believe it because of the arti-
cle concerning Yaquina Bay. Not
being true, we beg pardon.
