The Fourth at Siletz.

The morning was cool and a light rain fell till noon, when the clouds cleared away and the afternoon was lovely for the celebration at Siletz.

The opening speech, which was first-class, was delivered by John Williams, who was chairman. The program consisted of music, speaking, etc., and was good. At 2 o'clock Rev. E. H. Bryant delivered the oration, which was followed with three cheers for the "Oregon boys" and a deafening shout went up from every man, woman and child—every body yelled. The Siletz Glee Club sang several stirring songs, also a solo was sang by Mrs. Bryant. The feather dance from 4 to 6 p. m., one of the main features of the occasion, was held in the government barn, and headed by Citizen John, and was a grand success. Lawn tennis out of doors and many indoor games were indulged in. In the evening a social was given for the employes working on the government buildings, at Bachelors Rest. The social was a success, owing principally to the efforts of Clerk Brown, Dr. Turner and others.

The best of order was maintained throughout the day, no drunkenness or boisterous conduct to be seen. The grounds were well arranged and everything was done to make the visitors to Siletz comfortable.

Several went from this place and all enjoyed the day, more than satisfied with the entertainment received.

All honor is due to the Indians, who perfected all arrangements and had absolute control of all exercises.

An Epidemic of Diarrhoea.

Mr. A. Sanders, writing from Coconut Grove, Fla., says there has been quite an epidemic of diarrhoea there. He had a severe attack and was cured by four doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says he also recommended it to others and they say it is the best medicine they ever used. For sale by O. O. Krogstad, druggist.

Died.

BEVENS.—At Elk City, Thursday, July 6, 1899, Ruby, the infant daughter of Mr. and Mrs. C. P. Bevens, aged one year.

The little one's death was caused by scalding. She was sitting on the floor beside the stove when another child attempted to pour boiling water into a pan upset its contents on the baby, scalding it so badly that she died at 10 o'clock a. m. yesterday.

The funeral will be held today at 2 p. m. Rev. Dr. Dawson will preach the sermon.

Our Troubles.

She came to our camp on the mountain,
One beautiful day in June;
Her voice was as clear as the fountain,
Her cooking, to us, was a boon.

She is always lighthearted and merry
And sings at her work all the day;
Her songs make the old glad and cheery,
Her smiles make the young bright and gay.

'Twas a dark, dreary day that she left us,
We could ne'er tell our sorrow in words,
Our speech seemed almost bereft us,
We heard not the songs of the birds.

For the bachelor's fate is the hardest fate
That ever has fallen to man,
But we'll make up the time by working late,
And do the best that we can.

Our pard is gone from the camp tonight,
His shoulders were getting so round,
He must make haste while yet there is light
And send to where braces are found.

Our pard don't care for the girls, he said,
But whenever he's where they appear
He's afflicted quite often with pains in his head
Which fact seems to us rather queer.
[BILL 'N I.]
