An interesting character has been in town for a day or two. He is Louis S. Southworth, a gentleman of color, who resides on Alsea bay and who was for many years an esteemed citizen of Benton county. He is a man of splendid physique, and carries a head as well proportioned as his body. He first came to Benton from Missouri in 1851, and most of the interim to the present has been spent in industrial pursuits in this section. He is a violinist of some repute, and for seven years traveled the coast from Arizona to Idaho in company with John Kelly, the noted fiddler. He bears the distinction of having been born on the Fourth of July, and he passed his seventieth milestone last month. He is of a most amiable disposition as well as keen intellect, and his company is prized by those who take pleasure in studying original character. He has served at various times in Corvallis shops as a blacksmith.—Corvallis Times.

**Troublesome to the Army.**

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by O. O. KROGSTAD, Druggist.

Conroy, Son & Co. received their second car load of flour yesterday.

**Tetter, Salt-Rheum and Eczema.**  
The intense itching and smarting, incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box.
