Last Saturday morning about eight o'clock two worn and weary looking travelers pulled into town pushing their bicycles. They had started from Dallas intending to ride to Newport the day before, but night came on before they reached Chitwood, and in order to cut off a couple of miles they turned off the road and went through the railroad tunnel. When they got out of the tunnel it was too dark to see the road at Pioneer so they stayed on the track until they found a pile of lumber where they proceeded to "go to bed." They soon froze out of that and walked the balance of the way to this place, pushing their wheels along the track. Two more sleepy, tired and disgusted boys as they were are seldom seen. We'll bet a peanut they will "keep in the middle of the road" when they go home.

NOT THE CHEAPEST STOCK

On Earth, but this is the place where you get full weight, full measure and honest treatment.

We do not pretend to sell the cheapest stuff on earth. We do not keep it.

A carload of the well-known Stayton Flour and Feed just received. This flour and feed is not the cheapest on earth, but customers who trade with us appreciate and thoroughly understand the difference in the quality of goods.

Remember this fact.—As we have been in the clothing business twenty-five years, we have the experience necessary to turn out a suit that will fit, whether you take it out of stock or if you want a tailor made suit.
