

**BUFFALO EXPOSITION.**

May Have the Very Biggest Buffalo that Ever Happened.

What will be the "dominant extraneous feature" of the Pan-American Exposition, which will be held in Buffalo, N. Y., on the Niagara frontier, in the summer of 1901, is not as yet known, but there will be several features of special interest, and at least

THE BIG BUFFALO.

three now contemplated will rival any of the great features of the past.

For instance, the buffalo, which an ardent concessionaire, who happens to be a loyal citizen of the Queen City as well, hopes to construct on one of the vantage spots within the exposition grounds, will fall not far short of the Ferris wheel as an attractive feature, for the buffalo builder is ambitious. It is his desire to have constructed on an open plot of ground at the head of the "panoramable" a gigantic representation of the brute which stands symbolical of the city in which the exposition will be held.

Two hundred feet in the air the shaggy head of the great beast will rise and from his soulful eyes, which will be turned toward the not far distant Canadian shore, gleaming searchlights will send their milky bars to the inner recesses of her majesty's domain.

In that section of the animal where the brains ought to be the prospective builder would place a restaurant of more than ordinary beauty, and in the body of the animal the contemplation is to place a vaudeville theater, with a seating capacity of 2,000. In two of the legs winding staircases are to be erected and in the other legs electric elevators will make constant trips.

Another idea, which was born in the brain of a man of biblical mould, is that of the "Jonah" theater, and the submitted plan calls for the construction of a mammoth whale of iron and steel, which is to lie anchored in shallow water near the banks of the exposition. Dainty ferry boats are to ply between the shore and the mouth of the great whale, and those cheerful ones, who love to enjoy themselves in strange ways are to be ferried from the shore to the tongue of the floater. There a smooth young man will have his hands crossed with silver, and after this transaction the passengers will be at liberty to walk down the whale's tongue to the room where for three days and three nights Jonah sat and mourned.

THE JONAH THEATER.

In that section all will be light and cheerful, and on the stage vaudevillians will kick and sing and cavort, and musicians will add to the gaiety of the scene and will make many believe that the ancient stories of Jonah's troubles were much overrated.

Mr. and Mrs. Cartmill are people of ordinary size. Mr. Cartmill is quite tall, but his weight is not more than 100 pounds at any time. He is a buckster, and although he attempts to reduce them by dieting they continue to grow despite his efforts.

**DEAFNESS CANNOT BE CURED**

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

**Improved Train Equipment.**

The O. R. & N. and Oregon Short Line have added a buffet, smoking and library car to their Portland-Chicago through train, and a dining car service has been inaugurated. The train is equipped with the latest chair cars, day coaches and luxurious first-class and ordinary sleepers. Direct connection made at Granger with Union Pacific, and at Ogden with Rio Grande line, from all points in Oregon, Washington and Idaho to all Eastern cities. For information, rates, etc., call on any O. R. & N. agent, or address W. H. Hurlburt, General Passenger Agent, Portland.

**The Cliff-dwellers and How to Reach Them.**

The Denver & Rio Grande railroad has recognized the great interest which has lately been aroused in these wonderful ruins, and will furnish on application to R. C. Nichol, General Agent, 251 Washington street, Portland, Or., a pamphlet describing the ruins, and the best way to reach them.

These historical ruins are located on the line of the Denver & Rio Grande railroad.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.

**A Palace of Salt.**

Utah's glittering salt palace, with its midway pleasure and other attractions, opened at Salt Lake City August 21. The Rio Grande Western, the only line running through the Mormon capital, has arranged to give holders of all classes of tickets a day stop-over at Salt Lake in order that they may have an opportunity of visiting this wonderful structure, built of salt crystals taken from the brine of the Great Salt Lake itself.

The inauguration of the Rio Grande Western's dining car service, doing away with the necessity of stopping trains at eating stations, leaves nothing to be desired for an ideal trip across the continent; for the equipment and train service are equal, if not superior, to those of any of the transcontinental lines. Furthermore, no line traverses any section of the American continent where there is so much grandeur of scenery. A daylight ride through the heart of the Rockies leaves nothing to be desired.

For information as to rates and for descriptive pamphlets, address J. D. Mansfield, General Agent, 253 Washington street, Portland, Or.

**Just a Woman's Story**

Sarah E. Bowen, of Peru, Ind., said: "For eighteen years I suffered with weakness peculiar to my sex. I could neither sleep nor eat well, and was reduced to a mere skeleton. My skin was muddy, my eyes heavy and I was dizzy much of the time. Doctors prescribed for me without avail; medicine seemed to do me no good. I was at the brink of despair when a friend told me what Dr. Williams' Pink Pills for Pale People had accomplished in a case similar to mine. I bought a box and took them. I bought more and took them until I was well and strong. Dr. Williams' Pink Pills for Pale People brought me new life and I recommend them to every suffering woman."—From the *Republican*, Peru, Ind.
