NOT THE CHEAPEST STOCK

On Earth, but this is the place where you
get full weight, full measure and
honest treatment.

We do not pretend to sell the cheapest stuff on
Earth. We do not keep it.

A casket of the well-known Stayton Flour and Feed just
received. This flour and feed is not the cheapest on earth,
but customers who trade with us appreciate and thoroughly
understand the difference in the quality of goods.

We remember this fact—As we have been in the clothing
business twenty-five years, we have the experience
necessary to turn out a suit that will wear, whether you take it out of
stock or if you want a tailor made suit.
