The New York World
Thrice-a-Week Edition.

ALMOST A DAILY AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the Presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in dollar a year journalism. It is issued every other day, and is to all purposes a daily. Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only \$1.00 per year. It is virtually a daily at the price of a weekly. Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service. The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly named—The New York World. Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on. The best of current fiction is found in its columns. These are only some of the reasons; there are others. Read it and see them all. We offer this unequalled newspaper and THE LEADER together one year for \$2.25. Those wishing sample copies will please leave their names at this office.

The Giant Despair.

One of the most horrible things about the nervous diseases to which women are peculiarly subject is the sense of overwhelming despair which they bring upon the mind. A woman's mental condition is directly and powerfully affected by any ailment of the delicate, special organs of her sex. Such a difficulty not only racks her body with pain and suffering but burdens her with mental anguish which words can hardly describe.

Thousands of women have had a similar experience to that of Mrs. Eburath A. Williams, of Westport, Oldham Co., Ky., in which the use of Dr. Pierce's wonderful "Favorite Prescription," by imparting health and strength to the feminine organism, has not only restored complete vigor and capacity to the bodily powers but has also given renewed brightness and buoyancy of spirit.

"I suffered for over a year," says Mrs. Williams, "with indigestion and nervous prostration. I was unable to eat or sleep. I tried several physicians, but they only helped me for a short time. A friend advised me to take Dr. Pierce's Favorite Prescription. Dr. Pierce's Golden Medical Discovery and 'Pellets,' I commenced taking the medicines last May. Took three bottles of the 'Favorite Prescription,' and three vials of the 'Pellets,' and am now feeling better than I have for two years. Have a good appetite, sleep well, and do not suffer from indigestion or nervousness. I have gained seven and a half pounds since taking these medicines. I have recommended Dr. Pierce's medicine to several ladies, one of whom is now taking it and is being greatly benefited."
