While making comparisons it is interesting to note that the freight trains of the United States carry an average of 912,973,853 tons a year. Great Britain is a poor second with 437,043,265 tons. In fact, there isn't anything of importance in which we do not lead. The only way for the dissatisfied to get a better home than this is to be good and work for a place in "the home over there."

It is reported that Aguinaldo's wife died recently while accompanying him on his frantic effort to escape from the Philippines. There is a touch of sadness in this, but the way of the transgressor is hard. Aguinaldo has caused a heap o'trouble in this world, and no little share of the same has fallen upon his own ambitious and wicked head.

The Boers and the British seem to be taking a breathing spell. The next round will probably be one of the very warmest. It is about time the British are winning a fall, if they ever expect to.

"With hope millions stand on the closing day of the year with faces toward the future," writes Mrs. Hamilton Mott in the January Ladies' Home Journal. "What will the new year bring me?" each one asks himself. No one knows. And how well it is that it is that we do not. It requires sober thought to realize that what we are and what we do are along the lines of a wise creation. It is often very easy for us to feel that we might change things for the better if the power and opportunity were but ours. But the most astute cleverness of man is a poor affair when compared with the simplest wisdom of God. And one thing that can make this new year before us happier is to have that one feeling, that one thought, that one faith always with us: That 'whatever is, is right' and for the best. Frequently we cannot comprehend at the time why this should be so, why that should happen, and why some particular trial should come to us while some great joy comes at the same time to another; why we should have so little and others so much. But nothing ever comes into our lives except what is for our good. And some day we shall clearly understand all."

**Son of an Ohio Merchant Cured of Chronic Diarrhoea.**

My son has been troubled for years with chronic diarrhoea. Some time ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—Thomas C. Bower, Glencoe, Ohio. For sale by O. O. **A SURE CURE FOR CROUP.**

Twenty-five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by O. O. Krogstad, druggist.

**Tetter, Salt-Rheum and Eczema.**  
 The intense itching and smarting, incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and the favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box. For sale by O. O. Krogstad Druggist.

**Dizziness**

Is a very common consequence of indigestion and torpid liver. Sometimes there are spots before the eyes and hot flashes. At other times a sensation as of vertigo occurs, at once suffocating and blinding. It is a waste of time to attempt to cure this condition by ordinary means or medicines. The stomach and organs of digestion and nutrition must be restored to healthy activity, the blood must be purified, the liver cleansed and strengthened, before a cure can be hoped for. This is the work done by Dr. Pierce's Golden Medical Discovery, a medicine specially beneficial in diseases of the stomach, blood and liver. It strengthens the stomach, purifies the blood, cleanses the clogged liver, and promotes the health of every organ of the body.

"My wife was greatly troubled with indigestion, torpid liver, dizziness, and also irregular periods," writes Mr. W. A. Preston, of Shussak, Noxubee Co., Miss. "We tried many different remedies, but none of them gave perfect relief until we were induced by a lady to try your 'Golden Medical Discovery,' Favorite Prescription, and 'Pleasant Pellets.' These medicines did more good than anything we ever tried for those complaints. We have used four bottles of your 'Golden Medical Discovery,' one of 'Favorite Prescription,' and two vials of your 'Pellets.' These medicines have done the work we desired, and I do heartily recommend them to all similar sufferers."

Dr. Pierce's Pleasant Pellets assist the action of the "Discovery."
