**YAQUINA ITEMS.**  
Robert Rowe returned Saturday to his school at Sodaville.  
Plenty of rock coming in on every train to repair the road.  
Mrs. Ida Patterson returned Saturday to her friends in Coburg.  
We notice the improvement of a nice new side-walk on Front and Water streets.  
Mrs. Blazer, has been quite ill during the past week, but at present is convalescent.  
George Crowder came in Monday night from Los Angeles Calif. He was a resident of Yaquina several years ago.  
Several of the railroad men from Albany came in Saturday night to spend Sunday at the sea shore, returning Monday morning.

Mrs. P. Abbey returned Tuesday evening from a tour through several western states. She said she was glad to get back to the bay.  
Sheriff Ross was smiling after the jurymen Tuesday evening, and, I must add, helping the ladies at the hotel in singing, which was duly appreciated.

W. H. Parker of Albany came in last Friday night, accompanied by his daughter Bessie, to visit his parents Mr. and Mrs. Allen Parker. They went out Monday morning.

The steamer Maggie is in port. She came in all right—no bar trouble—and brought a goodly number of passengers and has quite a number for Coos bay on her down trip.

Monday was a beautiful day the sun was trying to dry off the last wetting we had. Several of the ladies went boat riding. Misses Helen Pygall and Gertie Litchfield were calling on friends on the west side. JERRY.

**HAVING A GREAT RUN ON CHAMBERLAIN'S COUGH REMEDY.**

Manager Martin, of the Pierson drug store, informs us that he is having a great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of any other kind, and it gives great satisfaction. In these days of la grippe there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time. The sales are growing, and all who try it are pleased with its prompt action.—South Chicago Daily Calumet. For sale by O. O. Krogstad, druggist.

**Twins—Nit.**  
Born—To Mr. and Mrs. H. S. Porter, a daughter.

Harry rushed into our place early Sunday morning and announced twin boys at his house. This was taken with a good deal of doubt, and those present questioned if Harry hadn't made a mistake. So, to prove the fact without any doubt, he invited some of the married ladies up to see his twin boys. Behold their surprise to find only one, and a girl, and a very little girl at that. Harry is better, and with careful nursing will recover, as we had to sit up with him last night till only 12 o'clock. Yours truly,  
E. D. YOUNG.

P. S.—We claim the usual fee.  
NORTONS, Or., Jan. 7, 1900.

Each year when we receive the Hood's Sarsaparilla Calendar we wonder how it is possible to originate such clever designs. The "Proverb Calendar" itself is suspended in front of two little tots, one robed in delicate pink, the other in blue. On the reverse side there are the usual astronomical calculations and other facts. The Calendar is made to stand alone on desk or table, or the wall. You should be sure to get one of these Calendars from your druggist, or one will be mailed to you by sending 6 cents in stamps to C. I. Hood & Co., Lowell, Mass.

**"A Bit Shaky."**

A man looks at his trembling hands and says: "I feel a bit shaky this morning, and shall need a brace." His real need is not nerve stimulant, but nerve strength. Dr. Pierce's Golden Medical Discovery gives strength to the nervous system. It does not brace up, but builds up. It is entirely free from alcohol and from opium, cocaine, and other narcotics usually found in so-called nerve medicines.  
Accept no substitute for "Golden Medical Discovery." It cures.  
David Duggins, Esq., of Jones, Ohio Co., Ky., writes: "When I began taking Dr. Pierce's Golden Medical Discovery I think I had nervous or general debility of three years' duration. I took three bottles of the 'Discovery.' During the time I was taking it my sleep became more refreshing and I gained fifteen pounds weight, and also gained strength every day."  
Free. Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay cost of mailing only. Send 21 one-cent stamps for book bound in paper, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

**Table Mountain Ranch For Sale.**

320 acres of land, one-half deeded; 125 acres bottom land and as much more level enough to run a mower over; 40 acres of good cedar and several acres of live old fir; 30 acres slashed and in grass and clover; 10 acres plow land; small orchard; good berry patch; two small houses; good barn and outbuildings; a small lumber and shingle mill—water power—in first-class running order; water is flumed but 200 feet; the mill is of simple construction and can be run by anyone; timber is close to mill, mostly cedar. This place takes all the farm land up the creek that will be settled for many years, making an endless stock range and also assuring a good hunting ground, which is well supplied with elk, deer and bear. The falls are never without fish, which is as far up as salmon can go. This place will be sold at a bargain. For prices and further information call at ranch or address B. M. or M. F. Griffith, Elk City, Oregon.

**TO THE PUBLIC.**

I want to let the people who suffer from rheumatism and sciatica know that Chamberlain's Pain Balm relieved me after a number of other medicines and a doctor had failed. It is the best liniment I have ever known of.—J. A. Dodgen, Alpharetta, Ga. Thousands have been cured of rheumatism by this remedy. One application relieves the pain. For sale by O. O. Krogstad, druggist.

We are better prepared to serve our customers than ever before. Our stock is most complete. Call and examine for yourself. Miller & Pruett.

**Been There Himself.**

The fellow-feeling that marks one of the tenderest spots in human nature is often most pronounced among great men. A writer in the Century tells this new anecdote of Faraday.

The great physicist and his friend Hoffman were walking one day together through the streets of London, where both were then professors, when Faraday stopped a newsboy and bought a paper. Hoffman asked him why, with his house supplied regularly with all the papers he needed, he stopped to buy a paper from a boy in the street.

Faraday replied: "I was once a newsboy myself and sold papers on the street."  
It was a fitting explanation.
