YAQUINA ITEMS.

The weather has been quite stormy.

We are sorry to learn that Mrs. Blaser is on the sick list.

We are pleased to note that Mrs. J. M. Norton is improving.

Miss Mable Davis came in from Corvallis Tuesday evening to visit with friends.

Fred Green of Drift creek was in Tuesday getting supplies and smiling on his friends.

James Dixon of Elk City was down and spent Sunday with his daughter, Mrs. A. S. Casteel.

The 2d of February came, and with it Felix. He did so well we would like to hear from him again.

Some of the ladies are busy making new coops for young chickens. There will be an early market for spring chickens if the weather is not too cold.

Our people are sorry to learn of John Haas' trouble. He has lived here a long time and was always thought well of, but it is the old story of dog Tray.

The Yaquina people were pleased to meet their Toledo friends, but sorry they could not stay longer. Come again when the weather is warmer and we will insure you a better time. JERRY.

Yaquina, Or. Jan. 22, 1900.

Mr. Oscar Tom has gone to Albany to attend the poultry show.

Mr. Manottie has been quite ill for the past two weeks, but is improving slowly.

There is going to be a grand ball in Alsea on February 14th. A good time is expected.

Miss Birdie Grier of Alsea, has got the mumps and there is several other cases of them in Alsea.

I seen in a paper that there has been a new island discovered in Missouri. Prosperity for Missouri!

Mr. Henry Boysen's ferry boat has sunk to the bottom of the Alsea river. He was intending to go to Cape Nome, Alaska, in it.

James Webber says he will not be alone very much longer. I wonder what he means by it. It seems as if he is hunting a cook.

Mr. E. S. Hammersly has been coming up Fall creek pretty often lately. I guess he is looking for a location. We wish him good luck.

T. J. Carns and J. A. Oglesby have just returned from a trip over to Big Elk. T. J. says he thinks he will go back again soon. I think perhaps he got acquainted with some pretty girls. He reports a fine country and lots of pretty girls. TILKUM.

An Editor's Life Saved by Chamberlain's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expel something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—B. What Is It?

A man who has been running a race with steam and electricity for years, finds himself suddenly stopped. It seems as if a cold hand clutched his heart. His brain whirls; he can hardly see. "What is it?" he asks himself as the attack passes. If his question meets a right answer, he'll be told that his seizure is a warning to pay more attention to his stomach, which is already deranged by irregular meals and rich foods.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and organs of digestion and nutrition. It eliminates from the blood disease breeding poisons. It makes the blood rich and pure, and furnishes a foundation for sound, physical health.

"About ten years ago I began to have trouble with my stomach," writes Mr. Wm. Connolly, of 335 Walnut Street, Lorain, Ohio. "It got so bad that I had to lay off quite often—two and three days in a week. I have been treated by the best doctors in this city, but got no help. Some said I had cancer of the stomach, others catarrh, others dyspepsia. Then I wrote to you for advice. You advised the use of your Golden Medical Discovery and Pleasant Pellets. These medicines I have taken as directed. I commenced to get better from the start, and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Keep the bowels healthy by using Dr. Pierce's Pellets. They don't gripe.

Table Mountain Ranch For Sale.
