LOCAL IN BRIEF.

W. E. Young, of Stars, was in town last Saturday, during the first time during the past year. The reason given for his prolonged absence is worthy of record—"I've been too busy on the farm." Dr. P. Hall, farm candidate for Congress, arrived in Toledo Wednesday evening, and left for Portland early this morning.

W. L. Jones, of Florence, one of the oldest residents in town, was at home Wednesday evening from a visit to his home at Alsea and the east end of the county.

E. S. Pethorin will take part in the Portland races next Wednesday, in the 440 yards handicap.

The Forest Home association's program was published on the Pacific Coast last week. If you are not at home, write to Mr. G. B. Parker for a copy at the Postoffice.
