JERRY.

SPREADS LIKE WILDFIRE.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of the stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50c. Sold by O. O. Krogstad, druggist."

Hon. B. F. Jones was up from the metropolis Monday. His business was angling for the speckled trout in the sparkling waters of the Yaquina river, and judging from the nice string in his possession, he had fair success.
