TAKES A WOMAN

To Insist Another Woman is a Sore, Effingless Wound.

"It takes a woman to know another woman," is one of the merriest of all the refrains of a song. It is singular that so many of our best sentiments are actually expressed in song.

To the best of your knowledge, have you ever thought of a man as having a "wound" in the face of it, and "forbidding" the mind to mention the name? It is a simple fact.

"Oh, you don't know," the lady said, "you don't know what I suffered under the influence of..."

"Well, for instance," said this man, "I have found that the longer I am away from the other women, the more they say to me: 'Oh, you don't know, you don't know what I suffered under the influence of..."

Women change, are you going to the Temple of the Married-Man?

Husband—Yes, my love, I really can't go, but it is an important meeting, and it would hardly do for me to be absent.

"Then how long are you expected to return?"

"I don't know," the husband said. "I don't know how long I am going to be there."

"Well, on your way stop just for me a minute and let me see how you are getting along."

"I can't. I can't stop."

The Secrets of Flirtatious, Seductive, and Sensational Women Revealed.

While it may not always be possible to determine the effects of a particular situation, it is important to be aware of the potential consequences. In some cases, the presence of a particular individual may lead to unforeseen outcomes. It is therefore advisable to take precautions to minimize the risk of negative consequences. In other cases, the consequences may be more direct and immediate. It is important to be aware of the potential consequences and to take appropriate action to avoid them.

ANOTHER FAST TRAIN.

The Erie Grand Western Railway has been so successful in running the line from Portland to Chicago in only three days and a half. No longer necessary, and only one chance is left. Those who desire the privilege, however, of a delightful return trip may take this up.

The Delhi Grand Western Railway, made to run from Portland to Chicago for the new trains, will be the only road made through the country. The new trains will be running through the country. The trains will be running through the country. The new trains will be running through the country. The new trains will be running through the country.
