

Lincoln County Leader.

Volume VIII.

Toledo, Lincoln County, Oregon, Friday, June 15, 1900.

Number 15.

LOCAL IN BRIEF.

THE LEADER is informed that County Surveyor Derrick will soon begin a survey of the George S. Coe lands. The tract will be divided into quarter sections and a complete description of each be made for the benefit of homeseekers. After this work is completed a delegation will be sent east for the purpose of disposing of the land to actual settlers. It is reported that the price will be placed at a figure that should make the land sell readily and it is believed that only a few months will elapse before that now practically vacant territory will contain many homes of industrious and worthy people.

Mr. and Mrs. George King of Oyster City were transacting business in Toledo Wednesday. Mr. King says monster bears may be seen promenading on the boulevards of Oyster City at daybreak every morning, but that he is the only citizen who gets up early enough to witness the strange sight. H. K. Luger of Yaquina is thinking seriously of going up there with his little gun.

The Toledo schools closed last Friday and Monday morning Misses Sumner and Thomas departed for their homes at Woodburn and Oakland respectively. They will be missed by their many friends in Toledo, Newport and other points in the county.

Messrs C. B. Crosno, Thomas Horning and H. R. Sturdevant hunted bear Monday over east of the city. They struck Bruin's trail, but their dogs objected to that kind of sport, and the hunters returned in ballast.

D. J. Derby and Peter Schirmer, two of Lincoln county's leading horticulturists, had some of their prize products on the Toledo market Tuesday.

Master Mechanic Walch, with Dick Casteel as fireman, took a locomotive out to Albany Tuesday which had been in the hospital at Yaquina.

Mr. and Mrs. Rite Dedrick and Mr. and Mrs. J. A. Hall visited friends near Elk City Tuesday. They made the trip in a small boat.

Divine service will be held in Toledo next Sunday, morning and evening, in St. Johns church. All most cordially invited.

Our grocery and crockery department is extensive, always fully assorted. Call and get our prices. Y. B. M. Co.

If you want bargains in harness, b gies or wagons, you may find them at G. R. Schenck & Co's.

Fred Walch and sister, Miss Hazel, of Yaquina, were passengers valleyward yesterday morning.

Postal Clerk Charlie Litchfield went out to Salem today for a visit with "the old folks at home."

Commissioner Godwin passed down to Yaquina last Saturday evening on a pleasure trip.

Mr. and Mrs. Dick Casteel and the former's mother of Yaquina are in Toledo today.

Attorney C. E. Hawkins made a business trip to Portland Monday.

Colonel J. H. Penn of Yaquina was a Toledo visitor Monday.

Carl Knudson of Oyster City was in Toledo Wednesday.
