A GOOD COUGH MEDICINE.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family both for ordinary coughs and colds and for the cough following la grippe, and find it very efficacious." For sale by O. O. Krogstad, druggist.

Mr. W. S. Whedon, Cashier of the First National Bank of Winterset, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one dose cured him, and he is again at his work." For sale by O. O. Krogstad, druggist.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but now her health is excellent." Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50c. Sold by O. O. Krogstad druggist. Guaranteed.

There has recently come to light an apron—probably the most exquisite example of needlework extant—that busied the fingers of the hapless Mary, Queen of Scots, during her long imprisonment, and served to divert her mind from her impending doom at the block. The fallen sovereign—all hope gone—centred her interest upon it during the latter part of her long confinement, and created the masterpiece of needlework. Just before her execution she secreted her prized apron under the lining of one of her robes which kept her treasure safe until recently the garment was ripped apart. Its history has since been fully authenticated through letters written by the ill-starred Queen to a friendly ambassador at Paris who smuggled the materials out of which it was wrought into her dungeon. By strange chance the apron came into the possession of an American, who has refused \$50,000 for it, and has also declined \$5000 for the privilege of unraveling a single stitch to learn its secret, which is a mystery to all the experts. Its owner has consented, however, to its reproduction in large size in the June Ladies' Home Journal.

A LIFE AND DEATH FIGHT.

Mr. W. A. Hince of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at O. O. Krogstad's drug store.
