

# Lincoln County Leader.

Volume VIII.

Toledo, Lincoln County, Oregon, Friday, June 29, 1900.

Number 17.

## LOCAL IN BRIEF.

Colonel F. J. Parker has whacked asunder the ties that bound him to the Walla Walla Statesman and retired to his fine ranch near Elk City, "to grow up with Lincoln county," he says. The colonel gives two substantial reasons for deserting the field of journalism, in which he has so long been a shining light, viz: Delinquent subscribers and diseased democracy. He is a democrat—or used to be—but cannot line up with the party headed by Bryan. His son fought in the Philippines, and he heartily endorses the work of "the boy." He will now proceed to improve his ranch, advocate good roads and bridges and general advancement—including the organization of a vigilante committee. Colonel Parker is welcomed by a host of Lincoln county friends.

Captain Smith, who resides near Otter Rock, was in Toledo Wednesday, accompanied by a pair of his famous bear dogs. Mr. Smith and his dogs have killed fifteen bears this season, and it hasn't been a very good season for bear. He has kindly consented to bring his dogs to Toledo in a few days and give local sports an opportunity to have a mixup with Bruin in his native haunts on the wooded banks of the Olalla. The LEADER man has got his lead-pencil whittled to a keen point, and expects to be in the thickest of the fray.

Lester, the little 6-year-old son of Mr. and Mrs. William Enos, got his right foot caught in the log carriage last Saturday at the Toledo sawmill, where Mr. Enos is employed as head Sawyer. The foot was badly injured and it was necessary to amputate the second toe. Drs. Thayer and Carter attended the little sufferer and he is now hobbling about, as cheerful as ever.

J. Blower of Mill 4 has been engaged this week in shearing his sheep. His flock is strictly high-grade and always yields a heavy clip of No. 1 wool, a sample of which may be seen at this office. It measures a foot in length and is "a good stand," as they say in corn countries.

Captain George Harney of Siletz was in Toledo Tuesday and while here his team worked him for a nice, new harness in which to celebrate the glorious Fourth. The intelligent animals ran away and tore their old clothes beyond repair.

Peter Schirmer of Pool slough was up Tuesday with a load of strawberries—the kind which has made the Schirmer ranch famous, and which "go like hot cakes" in Toledo.

School Superintendent Bethers is engaged these days in making official visits to every district in the county. It is a big job—when the electric cars are not running.

Miss Matilda Rache went over to the Agency Wednesday with Prof. and Mrs. Bert R. Betz to accept the position of mess cook.

Attorney B. F. Jones returned yesterday evening from a business trip to the state capital and other valley points.

Don't neglect to see the elegant line of millinery for sale at cost July 4. Mrs. G. E. Baumann.

L. D. Wood of Siletz had business in Toledo yesterday.

Do you want a new harness? See G. R. Schenck & Co.

Ladies, have you a nice face veil? All veiling at cost July 4. Mrs. G. E. Baumann.

Dr. F. M. Carter of Elk City made a professional call at Yaquina the fore part of the week.

The Toledo band is getting there in great shape, under the leadership of George Landreth. Hear 'em on the Fourth.

Great clearance sale of millinery at Schenck & Co.'s. Do not fail to call and see them. They will not be undersold by any one. Now is the time to secure bargains.

Fred Stanton was knocked out by the chickenpox the fore part of the week, but is recovering. There is no truth in the vile rumor that he found the ailment near some neighbor's hen-roost.

John Steel and Grant King, two of Lincoln county's most progressive ranchers, were down the fore part of the week after lumber with which to build barns and otherwise improve their farms on Depoe slough.

U. B. Vogle, jeweler, watchmaker and optician, is coming to Toledo to spend the summer season and do watch work and correctly fit you with a pair of spectacles. He will be here immediately after the Fourth. Wait for him.

### Fourth of July Bargains.

Every hat in our store must go, regardless of cost. Ladies' misses and children's trimmed hats will be sold cheaper than at any other house in the county. Do not let this opportunity pass without purchasing a new hat for the Fourth. G. R. SCHENCK & CO.

If you want the best cigar in the world, you will find it at George Landreth's place.

Lugger & Pruett get their shoes from eastern factories direct, so they are always up-to-date.

Presiding Elder T. B. Ford of the M. E. church will be here Friday evening, July 6, for quarterly conference, going to Siletz Saturday. He will return to Toledo Sunday and hold communion service in the evening. Everybody invited.

The Ladies Aid society met Tuesday afternoon with Mrs. G. R. Schenck and both hands and tongues were busily engaged during the session. There was an unusually good attendance, and the president earnestly hopes it will increase until every member responds to roll-call and participates in the good work.

Henry Gannon brought in a sample of mesquite grass a few days ago from a point about three miles east of Toledo. The specimen bunch measures nine feet and is hardly more than an average of what grows in that locality. Mr. Gannon says it would be possible to find grass there at least ten feet in height. O. O. Krogstad placed the sample on exhibition in THE LEADER office, where it may be seen by all who are inclined to be suspicious of fish stories, rutabaga yarns, etc. There may also be seen at Mr. Krogstad's place of business 7-foot oats, grown on the Hans Larsen place, and in this office is a bunch of 8-foot rye taken from the Butler place. As we remarked before—once upon a time—Lincoln county, Oregon, beats the world for big things.

I mentioned to him that I had been similarly troubled and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one dose cured him, and he is again at his work." For sale by O. O. Krogstad, druggist.

### NOTICE.

Notice is hereby given to the citizens of Lincoln county that a certain party or parties contemplate placing fish traps in Yaquina bay, which will seriously interfere with gill-net fishing and navigation in said bay, and we would respectfully ask the people of Lincoln county, and particularly those who are interested in the fishing industry of Yaquina bay, to give this matter their serious attention and consideration. Petitions will be circulated at Elk City, Toledo, Yaquina and Newport, protesting against placing said fish traps in said bay.
