PREVENTED A TRAGEDY.

Timely information given Mrs. George Long, of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors, but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her; and she writes, this marvelous medicine also cured Mr. Long of a severe attack of Pheumonia. Such cures are positive proof of its power to cure all throat, chest and lung troubles. Only 50c and \$100. Guaranteed. Trial bottles free at O.O. Krogstad's

John Turner, C. & E. agent, accompanied by his family, returned esterday from a week's outing in the Coast mountains, near Yaquina. Mr. Turner brings back with him a cub bear and a spotted fawn as trophies of his prowess as a mighty hunter. The cub, it is said, he captured in a peculiar way, and rather surprising to himself. While out hunting he was seated on a log watching for developments, when without warning two full grown bears put in an appearance, one on either end of the log. In trying to get away from both of them at the same time, he actually executed one of his beautiful cakewalks up and down the log. This performance frightened the bears away, and he then discovered that the little cub had hidden itself away in the ferns, and he captured it easily and brought it to camp in his hunting coat pocket,-Albany Herald.
