**Side-Lights on Life.**  
One way to judge a man's character is by what he doesn't say.  
Happiness results from being content with what you haven't got.  
Thought is company only for those who are capable of entertaining it.

Don't cry over spilt milk; hustle around and get some more milk tickets.  
Wisdom is one of the things that don't come to the man who sits down and waits.

There are but two periods in a man's life when he doesn't understand a woman. One is before marriage and the other after.

Next to knowing when to grasp an opportunity the most important thing is to know when to let go of it.

There is one good thing about the man with trouble on his mind. He never breaks into your office humming selections from a rag-time opera.—Chicago News.

The Southern Pacific Company set a mark for liberality on progressive lines when it offered to carry all exhibits to and from the state fair free. This action of the company places every county on its line in easy reach of the state fair this year, and will enable the Southern portion of the state to exhibit her famous fruits, vegetables and grains at a small expense. The following letter is so plain and to the point that it needs no further comment other than to say it is up to the people now to ensure a successful fair:

Wisdom, Secretary State Board of Agriculture, Portland, Or.—Dear Sir: In order to encourage exhibitors and attendance at the State Fair this company will transport exhibits originating at points on its lines within the confines of the state to Salem and return to point of origin free of charge.
