

Lincoln County Leader.

Volume VIII.

Toledo, Lincoln County, Oregon, Friday, November 23, 1900.

Number 38.

LOCAL IN BRIEF.

Al Waugh departed Wednesday morning for a visit at his old home, Gallipolis, Ohio, which he hasn't seen for years and years. He expected to be detained a couple of days by business at Portland. He will also visit relatives and friends in West Virginia and Illinois before returning. It is his intention to get back to Toledo early in February, and he won't surprise the natives very much if Mrs. Al Waugh is with him when he arrives. Here's luck, anyhow.

Attorney C. E. Hawkins now occupies the room in the Y. B. M. Co. building made vacant by the evaporation of Dentist Frazier. This throws all of Toledo's legal light under one roof—a concentration of brilliancy of immeasurable candle power and horse power. Pay your money and take your choice. The great triumvirate is ready for you.

"The Citizens" held a caucus at the courthouse last night and nominated Otto Krogstad, George Bethers and Austin Altree as candidates for aldermen for the full term and S. P. Conroy as candidate for the unexpired term of Frank Tillotson.

While George Landreth isn't exactly a b-a-d man, he at least has a b-a-d eye—which is undergoing repairs and will soon be as good as new.

Will Hoefs and his pair of hunting pups landed a bear one day last week. Will is naturally proud of his promising young "varmint" dogs.

Master Mechanic J. T. Welch of the C. & E. returned to his home at Yaquina last night from a three weeks' absence in California.

Somebody shot Jumbo last Sunday with bird shot, and for awhile it was feared he was badly injured, but he will soon be all right again. It is supposed that some careless hunter mistook him for either a jacksnipe or a mule. Jumbo, you know, is Stony Wells' all-around good dog.

O. O. Krogstad, druggist, guarantees every bottle of Chamberlain's Cough Remedy and will refund the money to anyone who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for la grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

Last (Monday) night William Toner, the express messenger, Oscar Zeys and Geo. Stimpson were returning to the city from a hunt in the country when, just after dark, their wagon struck something and all the men were tipped out. Mr. Toner fared worse, having his eyes blackened and his nose cut, while the others were somewhat lacerated. They are now slowly recuperating.—Albany Democrat.

It has been storming all over the world this week—and, of course, Lincoln county is in the world. Real snow fell at intervals Sunday and Monday, and along toward evening of the latter day it began to whiten the ground, and when the storm was over almost a quarter of an inch was in sight. The weather since has been rather cool—in fact, at freezing point—and grass has been considerably damaged. Roses and other blooming flowers were slightly disfigured.

Monday's Oregonian mentions Mose Lane's recent visit in that city and credits him with having all kinds of a time and also with losing \$200, which he left with a bartender for "safe keeping." Somebody has evidently been "stringing" that reporter. Mose is perfectly able to take care of himself and also the limited amount of wealth which he may be carrying, and it is safe to say he got "value received" for all the money he left in Portland. It is necessary to go farther than Portland to find men smooth enough to "do" citizens of Lincoln county.

Farmers, Attention.

The Lincoln County Farmers' Association will hold its first annual meeting at the courthouse in Toledo on the third Thursday in December, 1900, being the 20th day thereof, opening at 10 a. m. A full attendance is desired. F. M. WADSWORTH, Secretary. Toledo, Or., Nov. 20, 1900.

NOTICE.

Notice is hereby given that I have sufficient money to pay the following warrants drawn on the city of Toledo and endorsed "Not paid for want of funds," to-wit: No.'s 218, 282, 283, 284, 285, 286, 287, 290, 291, 293, 294, 297, 300, 301, 302, 303, 306, 307, 308 and 310. Interest will cease on the above warrants from this date.

R. E. DARNELL,
City Treasurer.

Dated at Toledo, Or., this 23d day of Nov., 1900.

A VILLAGE BLACKSMITH SAVED HIS LITTLE SON'S LIFE.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by O. O. Krogstad, druggist.
