The Columbia river below Portland isn't the only it. Arrangements have been perfected for keeping a 40-foot channel open in New York harbor.

It is rumored that Linn county is in debt—some. We can't believe it. Linn county affairs have been conducted by the reform element for "lo, these many years."

How many members of the Oregon legislature made campaign pledges which they are unable to fulfill? We don't know. You'll have to ask the disappointed applicants for clerkships, etc.

Some of our beloved state contemporaries are making expenses just now. Their proprietors have secured positions which will bring them some real money while the legislature is in session.

The hazing investigation develops a surprising amount of brutality at West Point. It is to be regretted that the deaths so far charged as the result of the practice are all among the hazed.

We see by our private dispatches that a diabolical scheme has been concocted to kidnap Brother Bryan of The Commoner and pull Tammany's leg for a big wad of ransom money. We don't believe it will work.

We feel safe in predicting that Oregon's next United States senator will be of constitutional age, a gentleman and a scholar. This will probably be true, even should he happen to be what is known as a dark horse.

Oregon's capital city is experiencing the sweet pangs of prosperity. One slot machine is reported to have taken in 35 cents Wednesday. There'll be a hot time in that old town during the stay of our state lawmakers.

Vice President-elect Roosevelt is killing mountain lions and having a good time generally in Colorado—the late enemy's country. Just to prove that the war is over, the governor of the state called in the game wardens and put padlocks on the mouths of the bad men from Cripple Creek. The governor of Colorado is a nice man.

The Oregon legislature convened Monday and got down to business immediately. Charles W. Fulton of Clatsop county was elected president of the senate and L. B. Reeder of Umatilla speaker of the house. The business-like opening entitles our lawmakers to at least one little round of applause. May the same spirit mark the entire session.

Late reports from the Philippines are very encouraging. Insurgents, headed by officers, are coming into American camps, surrendering their arms and taking the oath of allegiance to the Stars and Stripes. This is the result of kind treatment and the keeping of pledges by General McArthur and his subordinates. The Filipinos will soon learn that every law-abiding citizen may enjoy perfect freedom under the American flag. Not all of them will wish to become law-abiding citizens, and this element will cause trouble for years to come, but it should be remembered, there are thousands of robbers, cutthroats and outlaws in the United States—also in Kentucky and Colorado.

Too many statesmen are already bowed with the weight of the twentieth century, in the history of which they will not figure beyond the opening chapter.

NO MAN IS STRONGER THAN HIS STOMACH.

The stomach is the vital center of the body. It is the organ from which all other organs are fed. A weak stomach means a weak man. There never was a strong man with a weak stomach. What is called "weak stomach" is in general a diseased condition of the stomach and other organs of digestion and nutrition, which prevents the proper digestion of the food which is taken into the stomach, and so reduces the nutrition of the body. When all food is taken away the body starves. When the food eaten is only digested and assimilated in part it only nourishes the body in part, and so the body is partly starved. And this starvation is felt in every organ of the body dependent on the blood which is made from food.

The great variety of the cures performed by Dr. Pierce's Golden Medical Discovery is due to its remarkable power to heal diseases of the stomach and allied organs. It cures through the stomach diseases seemingly remote, but which have their origin in a diseased condition of the stomach and the other organs of digestion and nutrition. "Weak" heart, lungs, kidneys and weakness of other organs is cured with the cure of the weak stomach.

Mr. Thomas A. Swartz, Box 103, Sub-Station C, Columbus, Ohio, writes: "I was taken very sick with severe headache, then cramps in the stomach, and food would not digest, then kidney and liver trouble, and my back got weak so I could scarcely get around. The more I doctored the worse I got until six years passed. I had become so poorly I could only walk in the house by the aid of a chair, and I got so thin I had given up to die, thinking that I could not be cured. Then one of my neighbors said, 'Take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bottle helped me so I thought I would get another, and after I had taken eight bottles I was weighed and found I had gained twenty-seven (27) lbs. in about six weeks. I have done more hard work in the past eleven months than I did in two years before, and I am as stout and healthy today, I think, as I ever was."

Dr. Pierce's Pleasant Pellets cure constipation.
