

BEAT OUT OF AN INCREASE OF HIS PENSION.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by Krogstad, the druggist.

SILETZ ITEMS

The social at Major Buford's Monday evening was a success in every way. The program was well arranged and every number received well-merited applause. Dr. Z. T. Daniel excelled in relating a comic incident in his life. B. R. Betz and W. H. Brown told of their experience with cyclones and grasshoppers in Nebraska and Kansas, which appealed largely to the imagination. Guy Buford for twenty minutes pleasantly entertained with sleight of hand performances. Irish vocal magic, music and charades aided in the general enjoyment. Regrets were expressed at the absence of the Major, whose hearty laughter adds to the general hilarity of things.

Dr. Z. T. Daniel's recent trip to Portland was for the purpose of appearing before the state board of medical examiners for examination for license to practice in the state, and the doctor passed in a satisfactory manner. This is in conformity to the state law regulating the practice of medicine and surgery and entitles the doctor to practice anywhere in the state.

Hon. D. W. Manchester of Cleveland, Ohio, special agent for the Government, arrived Tuesday evening in company of Major Buford. Within a few days the Indians will receive their skookum chicamin and a jollification will take place.

New Sabbath school supplies are on hand. The sickness of some teachers caused a suspension of our Sabbath school last Sunday. Miss Mary Buford will officiate as organist for the choir next Sunday.

Clerk Brown is a genius and by a simple arrangement of pipes within the lining of his airtight heater he has furnished his apartments with hot water.

G. R. Schenck arrived on time Tuesday and will proceed to build a cabin on the claim of Miss Daisy Pattison, one mile east of town.

Siletz river has been so high for a few days that no landing could be made with the ferryboat, and skiffs have been used.

The burning out of the chimney in the clerk's residence caused some excitement for a few minutes Saturday.

Dr. Thayer and brother William of Toledo passed through here Saturday on their way to the upper farm.

T. L. Lilly of the firm of R. M. Wade & Co. of Corvallis is with us for a few days.

Spencer Scott presented Major Buford and the pastor with some fine meat.

HIS WIFE SAVED HIM.

My wife's good advice saved my life, writes F. M. Ross of Winfield, Tenn., for I had such a bad cough I could hardly breathe. I steadily grew worse under doctor's treatment, but my wife urged me to use Dr. King's New Discovery for Consumption, which completely cured me. Coughs, colds, bronchitis, la grippe, pneumonia, asthma, hay fever and all maladies of chest, throat and lungs are positively cured by this marvellous medicine. 50c and \$1. Every bottle guaranteed. Trial bottles free at Krogstad's drugstore.

OLD PEOPLE MADE YOUNG.

J. C. Sherman, the veteran editor of the Vermontville (Mich.) Echo, has discovered the remarkable secret of keeping old people young. For years he has avoided nervousness, sleeplessness, indigestion, heart trouble, constipation and rheumatism, by using Electric Bitters, and he writes: "It can't be praised too highly. It gently stimulates the kidneys, tones the stomach, aids digestion, and gives a splendid appetite. It has worked wonders for my wife and me. It is a marvellous remedy for old people's complaints." Only 50c, at Krogstad's drugstore.
