YAQUINA ITEMS.

Mrs. Margaret Fredericks and children have left this burnt district and gone to Portland to reside.

J. Blaser has possession of the Tellefson building which he purchased and has fixed it up in good shape for business.

Mrs. McMillan of Vancouver, accompanied by her two children, is visiting her parents, Mr. and Mrs. Allen Parker.

The steamer Robarts came into port a few days ago and Captain Johnson thinks this harbor too cozy to leave for awhile.

The people of this burnt district have almost forgotten their troubles and are waiting for William Hoag, so as to dicker with him about land to rebuild on.

The Odd Fellows are fitting up rooms in the old Yaquina hotel for temporary use, the railroad company having given them permission to meet there.

Mrs. A. S. Casteel and her waitress lost all their clothing in the recent fire except what they were wearing at the time. Not even a hat was left them.

Every one is busy here—no idle men, nor women, either. A man cannot be hired for odd jobs or anything else. There seems to be plenty of money, but provisions are somewhat scarce owing to the burnout.

THE BEST BLOOD PURIFIER.

The blood is constantly being purified by the lungs, liver and kidneys. Keep these organs in a healthy condition and the bowels regular and you will have no need of a blood purifier. For this purpose there is nothing equal to Chamberlain's Stomach and Liver Tablets, one dose of them will do you more good than a dollar bottle of the best blood purifier. Price, 25 cents. Samples free at Krogstad's drug store.

Fall Creek Items.

The weather is changeable at the present time.

The lumber is on the ground for a new schoolhouse at the mouth of Fall creek.

R. B. Trenholm is going to build a new house. It will help the looks of his place.

There has been quite a lot of improvement during the past week in the way of fencing.

Crell Trenholm is now ready to give lessons on the violin and organ and also in cooking.

Mr. Mangel was up Fall creek after some dogs. I don't know what luck he had in getting them.

Miss Grace Oglesby of Alsea has been stopping with her brother for the past month at the Elk Grove place.

J. H. Boysen says he is not going to back very much longer. I think some good woman would do well to write to him. He is a good citizen.

Oscar Tom has been catching salmon in his new fish trap, but since the late law was passed he will probably have to take it out of the creek.

IT'S EASY TO FEEL GOOD.

Countless thousands have found a blessing to the body in Dr. King's New Life Pills which positively cure Constipation, Sick Headache, Dizziness, Jaundice, Malaria, Fever and Ague and all Liver and Stomach troubles. Purely vegetable; never gripe or weaken. Only 25c at Krogstad's drug store.
