An Oregon genius has invented and placed on the market a gopher gun that seems to be a success. Several gophers have been killed and several persons laid up for repairs by the wonderful little weapon.

When the big ("Where Rolls the Oregon") Lewis and Clark Centennial and American Exposition opens at Portland in 1905 President Roosevelt will press the button and give it a proper send-off—won't he, now? Of course he will!

An amicable southern editor gets around the retraction problem cleverly by saying in print: "It is not our purpose or desire to offend any one. Should any reader of this paper feel aggrieved at any thing which appears in our columns, if he will bring his point out in the offending paragraph we will cheerfully take our shears and cut it out for him."

YOUNG LADY'S LIFE SAVED.

AT PANAMA, COLOMBIA, BY
CHAMBERLAIN'S COLIC,
CHOLERA AND DIARRHOEA REMEDY.

Dr. Chas. H. Utter, a prominent physician, of Panama, Colombia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by O. O. Krogstad, druggist.

Gratitude

Always seeks to find some expression for itself, and womanly gratitude will not keep silence. Cynical people sometimes say Why do women write these testimonials to the value of Dr. Pierce's Favorite Prescription? The answer can be put in one word, Gratitude. When, after years of agony a woman is freed from pain, when the weak woman is made strong and the sick woman well, the natural impulse is to write a word of grateful thanks for the medicine which caused the cure.

Dr. Pierce's Favorite Prescription cures diseases peculiar to women. It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness.

"Having used Dr. Pierce's Favorite Prescription and Golden Medical Discovery during the past year," writes Mrs. Mattie Long, of Platts Valley, Perry Co., Pa. "I can truthfully recommend the medicines for all female weaknesses. I have used several bottles of 'Favorite Pres.' which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Dr. Pierce's Pleasant Pellets cure biliousness, and sick headache. They should be used in connection with "Favorite Prescription," whenever the use of a laxative is indicated.

Housekeepers desirous of making their own baking powder can do so with very little trouble. The following formula is one that has been used for many years. Weigh six ounces of flour and thoroughly dry it, without browning it, in the oven. Procure six ounces of the best soda and thirteen and one-half ounces of cream of tartar. Add them to the dried flour and rub together half a dozen times through a sieve, then put them in airtight jars or cans, and keep in a dark closet, using the powder from a small jar so that it will retain its strength.

Lester Waugh buys and sells all kinds of cattle—that is, good cattle. If you want a good milch cow at reasonable price, see him or address him at Toledo. If you want to sell, do likewise.

ASTONISHED THE EDITOR.

Editor S. A. Browd of Bennettsville, S. C., was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50c at O. O. Krogstad.

A CURE FOR CHOLERA INFANTUM.

"Last May," says Mrs. Curtis Baker, of Bookwiler, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by Otto O. Krogstad, druggist.
