Young Teddy Roosevelt has just finished whipping pneumonia to a standstill, although it was a hard fight. He is surely a son of his pa.

Oregon's exhibit is exciting the wonder of visitors to the Charlestown exposition. Many of them will be out here in 1905 to see it all.

Politics will soon be ripe in Oregon and the great exposition booked for Portland in 1905 will please go away back and sit down until again called to the front.

Col. William J. Bryan has been consulting other democratic leaders regarding plans for the next campaign in Ohio. P.S.—You are supposed to laugh when you read the above bit of news.

The United States senate has not yet voted to abolish the United States senate. The several states might get rid of the evil by simply neglecting to elect United States senators. If the people are really in earnest the trick can be done.

The Salem Statesman says W. J. Furnish will be the only real opponent of Governor Geer in the Republican state convention. About a half a dozen other gentlemen with aspirations are probably properly insulted by the statement.

The Evening Journal will make its appearance at Portland about the first of next month. It is heralded as "the paper of the people"—and we hope it will be—but it is expected to make its bow as the organ of the Democracy. It's welcome—regardless.

The Indian War Veteran pension bill has at last passed the senate, thanks to the efforts and influence of Senator Mitchell. The chances of the bill in the house are said to be good, and there is reason to believe the old pioneers who opened and preserved the Pacific northwest will at last get justice—in a measure at least.

There can be no exception taken to the three brilliant men President Roosevelt has selected to represent this government at the coronation of King Edward. But why should the American Republic go to the expense of some sixty thousand dollars for these men to hob-nob around with the titled dignitaries and have a good time. Did any of the nations of the world ever send representatives to this country at the inauguration of a President of the United States? Guess not. An inauguration of our president means more to people of the world than the coronation of all the crowned heads in the world. We may be old fashioned but that's the way we look at it.—Casey (Iowa) Vindicator. Second the motion!

A fresh carload of flour and feed just received at the Yaquina Bay Mercantile Co's.

WANT A PIANO?
I am agent for the Allen & Gilbert Co. of Portland and can sell you a fine piano (20 styles to select from) or an organ, either Estey or Chicago Cottage, at a lower price than can be obtained from any other firm on the coast.

Will also supply you with any other musical instrument you may want. Call and inspect pianos now on hand. GEO. A. LANDRETH.

SILENCE!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of free consultation by letter. All correspondence is held as strictly private and sacredly confidential. Address Doctor R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"Having used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Plover Valley, Perry Co., Pa., "I can truthfully recommend these medicines for all female weaknesses. I have used several bottles of 'Favorite Prescription,' which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

CONTEST NOTICE.

M., by William Down, contestee, in which it is alleged that contestant "knows the present condition of the same; also that said William Down has wholly abandoned said tract, and has not resided upon, cultivated, nor improved said land for more than six months last past; that he has not, in fact, been upon, nor cultivated, nor improved said land in any manner whatever for more than four years last past, and that there are no improvements of any nature whatever thereon except those made by contestant within the last three weeks, and that said alleged absence from the said land was not due to his employment in the army, navy, or the marine corps of the United States as a private soldier, officer, seaman or marine during the war with Spain, or during any other war in which the United States may be engaged."

Said parties are hereby notified to appear, respond and offer evidence touching said allegations at 10 o'clock a.m., on Feb. 28, 1902, before the Register and Receiver at the United States Land Office in Oregon City, Oregon.

A CLERK'S WISE SUGGESTION.

"I have lately been troubled with dyspepsia, belching, and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy, and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. Otto Krogstad.

THE WHITE

Sewing Machines

and Bicycles

The application of ball bearings to our sewing machines has reduced friction to a minimum and emphasizes more strongly than the title of "LIGHT-RUNNING WHITE." Elegantly embossed work, smooth band ironwork, easily kept clean, the finest set of attachments, automatic tension indicator and releaser, oil cups and needle—these are only a few of the many labor-saving devices applied to the WHITE.

The White Bicycle stands on its own merits. During the past years its reputation has been maintained as the most durable, beautiful and light-running wheel. The White holds all Pacific Coast records from a quarter of a mile to a century, as well as the world's mile record and in the International Six-Day Tournament held in San Francisco last year, the White won four out of eight prizes, no other make wheel taking more than one of the rest. We have dealers in sewing machines and bicycles almost everywhere. If there is none in your town, write for catalogue and prices.
