## In Memoriam.

Mrs. Emma S. Hillis died at her home near Wimer, Oregon, February 9, 1903, aged 25 years.

Mrs. Hillis, formerly Miss Emma Brooks of Toledo, was loved by all who knew her—a noble christian, a loving wife, and a true and affectionate child. She bore her afflictions with christian fortitude and closed her eyes in a peaceful sleep that knew no waking; but to the sweet spirited Emma, familiarly known, came at last the realization of the familiar lines, the repetition of which seemed to soften the closing scene and make the ordeal of death more easy:

Asleep in Jesus: blessed sleep,  
From which none ever wakes to weep,  
A calm and undisturbed repose,  
Unbroken by the last of foes.  
Asleep in Jesus, far from thee  
Thy kindred and their graves may be;  
But thine still a blessed sleep  
From which none ever wakes to weep.

Some correspondence was received last night—too late for publication. Contributors should not neglect to sign their own names, so the editor may know who gets him into trouble.

The DeMoss Concert company, which will be at Woodmen Hall next Monday and Tuesday evenings, February 16 and 17, is winning many good words from the state press. A number of THE LEADER's exchanges in the larger towns, such as Grants Pass, speak in highly complimentary terms of the company. Tickets on sale at Krogstad's drug store.

Francis Jones has been very ill during the past week of lung fever, and the symptoms were so alarming Wednesday that his father came home from Salem in response to a message, accompanied by Dr. Farra of Corvallis. A decided change for the better, however, was apparent that evening, and since then the boy has been improving steadily. Dr. Wetmore has been in attendance.

The Lincoln County Concert Band and Orchestra is scheduled for an entertainment at Newport on the evening of the 20th inst and at Toledo on the 26th. This young and wide-awake aggregation of musicians is a credit to the county and deserves encouragement. Our citizens will undoubtedly be out in full force. Later—We are informed that it has been necessary to cancel the Newport date.

The DeMoss Concert company Monday and Tuesday nights—two distinct programs.

Miss Pearl Tucker completed a successful term as teacher of the Harlan school last Friday and returned to Toledo next day. She will go to her home at Newport after a few days' visit with Toledo friends.

There are still rumors of a contemplated extension of a railroad from Falls City down through the Siletz country in Lincoln county. It is at least a logical guess, and no one will be greatly surprised if the rumor does not become a sure thing during the coming summer. Lincoln county's timber belt will certainly be connected with the outside world in some manner in the not distant future.

If property in Lincoln county was taxed according to the value placed upon it by the owners when approached by prospective purchasers, taxes would be high, sure enough. It is a common complaint among homesteaders that desirable Lincoln county real estate is held at a figure that compels them to look elsewhere for a location. While this is probably true, the population of the county is steadily increasing—not all the result of home industry, either.
