Our Good Neighbors

Johnson Jottings.

Tip Lynd arrived from Kansas the first of the month. He has settled near Elk City and is now looking for cows and horses to stock his farm. He arrived at the mouth of Siletz bay Thursday night.

Two men were seen en route to W. E. Ball's Friday. They claim to be Oregonians, but Johnsonites think any one with broadcloth and fine shoes, forty miles from a railroad, must not have much moss on their back. The boot-black and tailor will surely get a job when they get back. Mr. Williams of Newport was one of the other unknown.

Archie Stephens has returned home from Willamina with his cousin, Carl Fisher. They are having a fine time hunting.

Harlan Happenings

This week has started in with nice weather. Hope it will continue for awhile.

Ray Stoner is home again, after being gone about two months. We are glad to see him back.

There was a dance at Mr. Hathaway's on the evening of the 17th. Everyone reported having a good time.

Clara Mason is very sick with scarlet fever. Fanny and Sadie are improving.

We are told that W. W. Grant went to church over on Tum Tum last Sunday, but failed to get back before dark. Wonder what is the attraction over there.

Vera Ridenour has returned home on a visit, after being gone since Thanksgiving. She has been attending school at Corvallis.

Lester Grant went up the Spout last Sunday. Hope he got down safe, sound and happy.

Lester January has gone to Tacoma, Wash., to work.

Mr. Stoner went to Corvallis last Saturday.

Athel and Robin Hathaway took their mohair to town last week.

Waldport Waves.

Married—McMillan Goin—In this city, April 19, 1903, at the home of the bride's parents, Mr. Roy McMillan and Miss Ona Goin, both of Waldport. May they have a pleasant voyage on the matrimonial sea.

Mr. and Mrs. Marion Ruble arrived last week from Portland to visit relatives and friends and be present to witness the golden wedding of their parents.

Johnnie Ludeman has his launch, the Nome Nugget, on the dry dock for repairs. He expects to have a great rush this summer.

Elmer Helms, Allen Beamer and Ellis Vader left Tuesday for a business trip to Toledo.

W. H. Harison expects to leave soon for his new home in Seattle, Wash.

James Dodge is again at Waldport shaking hands with old acquaintances and friends.

The Socialist speaker that was to speak at Waldport April 21, 1903, failed to appear, so I guess he must have back-tracked himself. We wonder if the sheriff has seen anything of him.

Mr. and Mrs. David Ruble celebrated their 50th wedding anniversary at their home Wednesday, April 22, 1903. Fifty years ago Mr. and Mrs. Ruble started out on their wedding tour across the plains to Oregon. They experienced many thrilling adventures, one of which they tell was when the Indians held up their train and took most of their provisions. That reduced them to only a small quantity of flour, which they made into a small cake and divided for their breakfast. They were without a bite all day until they reached the settlement at night, but they arrived safely, tired and worn out, settling in Polk county, Oregon, near Yolla. A family of nine children were born to them—six girls and three boys, all of whom are still living, with 19 grand children. May they still live to a good old age.

Salado Items.

If this pleasant weather continues, the roads in this part of the county will be almost dry in a few days.

Fred Neil came in from the valley the fore part of last week to visit friends.

School commenced April 13, with Miss Pearl Tucker as teacher. Ten pupils were enrolled and one or two others will start later on.

Mrs. Davenport will start for Illinois this week.

A timber cruiser passed through here Sunday on his way to Drift creek.

E. A. Gile and Arthur Solander went to Elk City Sunday morning, where Arthur took the train for Portland Monday morning.

George Hodges completed the bridge just this side of Elk City across Blair creek last week.

Mercenary Advice.

"Kill your dog," says an exchange, "and buy a pig with the dollar you save on the dog tax. The scraps you feed the dog would make the pig weigh 300 pounds, and then you could sell it and give your wife the money." "Yes, kill your dear, old, faithful, mindful, thankful, trusted dog and buy a pig. But when you come home after a hard day's toil don't expect the pig to meet you two blocks away with a joyful little cry of welcome at every jump. Sometimes when you feel unusually 'blue' and it seems as though the whole world was 'knocking' against you, don't expect the pig to nestle up to your side and, laying its head within your lap, wag out its unalloyed sympathy. Don't expect it to forsake its meal of 'scraps' just for the privilege of being your companion on a lonely drive or walk. Don't expect it to do any of these 'little things.' There's a vast difference between your most constant friend and a pig. Amen!

When the life of Mrs. Ruff was hanging in the balance she used Dr. Pierce's Favorite Prescription and was restored to health. Her experience made her the firm friend of the medicine that cured her.

Dr. Pierce's Favorite Prescription has no equal in its cures of womanly disease. It establishes regularity, dries the drains that weaken women, heals inflammation and ulceration and cures female weakness.

"Five years ago when my life was hanging in the balance, Dr. Pierce's Favorite Prescription was brought to my home," writes Mrs. Caroline Ruff, Director of German Orphan's Home, residing at 39 Rowena Street, Detroit, Mich. "I took it, and it won me back to health. Ever since that time, I have been its firm friend. We frequently have mothers come to our 'Home' who are suffering with uterine troubles, inflammation, tumors and ulcerations. Our great remedy for a female trouble is Dr. Pierce's Favorite Prescription, and we have found nothing so far which would so quickly cure the disease, relieve inflammation and stop pains. It is a good friend to women."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

How We Grow.

The Oregonian has had a systematic canvass of the state made, and according to the figures it has obtained Oregon in the period from January 31, 1902, to March 31, 1903, has increased in population more than 44,000. This is a greater increase than any other like period in the history of the state.

Oregon in June, 1900, was credited by the United States census as having a population of 413,256. The natural increase is about 2½ per cent. Adding the immigration in the 19 months from June, 1900, to January, 1902, which was probably not less than 15,000, together with the immigration of about 44,000 since the last date, would give Oregon to-day a population of not less than 510,000.

The immigration to Oregon for the past 15 months is credited to the various counties of the state by the Oregonian's estimate as follows:

Baker 750, Benton 1,000, Clackamas 2,500, Clatsop 400, Columbia 400, Coos 1,500, Crook 1,000, Curry 50, Douglas 1,500, Gilliam 250, Grant 900, Harney 100, Jackson 1,000, Josephine 2,000, Klamath 500, Lake 100, Lane 2,200, Lincoln 800, Linn 1,250, Malheur 300, Marion 1,200, Morrow 400, Multnomah 16,000, Polk 500, Sherman 300, Tillamook 200, Umatilla 1,000, Union 1,750, Walla-walla 500, Wasco 1,500, Washington 2,000 Yamhill, 1,000; total 44,000.
