AT HALF MAST.

Sometimes we are greeted in the morning by flags at half-mast for some prominent official who yesterday was apparently in perfect health. When we inquire the ailment by which he was stricken it is not uncommon to be told "acute indigestion" or "stomach trouble."

It is time people learned that indigestion or any form of "stomach trouble" is not a thing to trifle with. The result may not be fatal, but there can be no condition of diseased stomach which does not carry with it physical loss and weakness. Dr. Pierce's Golden Medical Discovery cures indigestion and other forms of disease affecting the stomach and its allied organs of digestion and nutrition. It enables the perfect digestion and assimilation of food.

"Thanks to Dr. Pierce's Golden Medical Discovery," writes Mr. Charles H. German, of Lehigh, Pa. "It is the only medicine that has done me any good. I tried everything I could think of to cure indigestion and found I was only throwing away money. Then I heard of Doctor Pierce's Golden Medical Discovery and tried a bottle of it, and to my joy found it was doing me good. I used six bottles of it, and am now cured. It is the best medicine on earth."

This grand remedy does its work in a thorough manner; it gives the health that is all health; the strength that is solid, substantial and lasting; not flabby fat, not false stimulus, but genuine, complete, renewed vitality and life force.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.
