Our Good Neighbors

Salado Items.

We are having pleasant weather again and the roads are dry in this part of the county.

Mr. Snyder, traveling agent of the Oregon Nursery Company of Salem, passed through here the latter part of last week.

S. F. Cook of Portland passed through here last Friday. He was looking over the timber claims with the intention of sending in locators.

W. H. Daniel returned from Portland last Saturday.

Lester Grant of Harlan killed a bear just back of Folmsbee's place last Saturday.

Jesse Daniel came in from the valley Saturday on his wheel.

Miss Pearl Tucker spent Saturday and Sunday with Mrs. Charlie Brown.

A party went up Drift creek Sunday morning to view the falls on Mr. Thompson's place. The party was composed of Mr. and Mrs. Brown and children, Miss Tucker and Mr. and Mrs. Troxell. Miss Tucker took several views of the falls with her camera.

Jesse and Bird Daniel started up the valley today on a visit.

We are sorry to say that Mortimer Hodges is getting no better.

Waldport Waves.

Mr. and Mrs. Vern Ruiter arrived last week from Portland and other points, where they have been for the benefit of Mrs. Ruiter's health.

Miss Duckie Seits left last Saturday for Newport, where she has a position as waitress at the Bay View House.

Mrs. Florence Breckenridge arrived last week from southern Oregon for a visit with her little daughter and other relatives.

Everyone is busy these days with various occupations, and the writer is glad to say there is no sickness to report.

Mrs. Maud Harrison and little son left Tuesday for San Francisco, to secure medical treatment for the latter.

Miss Nellie Graff was home for a short visit Friday, returning Monday to her school in the Bay View district.

Last Saturday night Waldport experienced quite a cleanup of logs that were lying on the flat from last winter's tides. A few bonfires of logs and rubbish gave the flat quite a different appearance.

Joseph Starika arrived last week on a business trip in the interest of his real estate in Waldport.

HARD DRIVEN.

The mother slowly times her footsteps to those of her baby driver. Yet she is hard driven because not alone in the brief moments of play, but all day long must she keep pace with baby's wants and needs. Generally the mother who experiences a larger demand on her energies has less and less strength to respond.

Sometimes she suffers from diseases peculiar to her sex, and often has never thoroughly recovered her strength after baby's coming.

For all women who are weakened by womanly diseases or who are run-down by maternal and household cares Dr. Pierce's Favorite Prescription is commended as a medicine which promptly cures disease and restores the strength.

It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It is unexcelled as a tonic and

nervine for weak, run-down women.

"If mothers who dread the baby's coming would take Dr. Pierce's Favorite Prescription they would find it a great help and benefit," writes Mrs. L. B. Henderson (President Milwaukee Woman's Literary Club, of 523 Grand Ave., Milwaukee, Wis.). "After the birth of my first child I did not seem to regain my health, so began to take your medicine, and in two weeks I felt stronger and able to be about, so kept taking it for two months and found at the end of that time I had completely regained my usual health. I also found that it was of benefit to take a few months prior to baby's advent; in fact it is of great benefit in all forms of female weakness."

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

The old paint has washed off your house; it looks faded and weather-worn. A little fresh paint will beautify it and make it last much longer. Pure linseed oil and the best of paints at Krogstad's.
