Stray Philosophy.

To err is human; to forgive is a sign
that you are afraid of the other fellow.
The race is not always to the swift,
nor the big salary to the man who earns
it.

When men enter politics they always
do so voluntarily, but few leave that
way.

The sooner man recognizes defeat the
earlier it is possible for him to get a
new start.

Mens heads are like oranges. Some-
times there isn't much left after you get
a big one peeled.

To some people truth is stranger
than fiction because they have so little
to do with the former.

The man who carries his salary right
home to his wife is generally a good citi-
zen, but he seldom attracts attention
with his fine clothes.

The old wallpaper on your walls looks
shabby. For one dollar I will sell you
sufficient to repaper a room. Over 75
Styles to select from at Krogstad's.
