State Teachers Association.

The Western Division of the State Teachers' Association will be held at Portland, June 24 to 29, 1903. The program for this meeting is one of the best ever prepared by the management of the Association, and the indications are that this meeting will surpass anything ever attempted in educational meetings in Oregon.

The best talent the State affords has been secured to take part in the program, which deals with many subjects of vital importance to the schools and educational interests of the State. Mr. Henry D. Pettingill of Lansing, Mich., one of the foremost educators of the United States, has been invited to be a guest of the Association and will appear on the program, and discuss a number of important educational topics.

Railway companies have made an excursion rate to Portland for this occasion and a very large number of teachers will no doubt be present to enjoy and profit by the meeting.
